New jail seen as feasible

The proposed new Madison County jail project is regarded as feasible despite the fact that low bids exceeded the allocated funds, officials said this week.

Negotiations are in progress, possibly involving the northernmost two cell blocks of six men's cell blocks. A single cell block for women prisoners is situated at the southern end of the proposed project on Randle Street, Edwardsville.

The reinforced concrete jail structure, replacing the present jail that is well over a century old, is seen as a part of an eventual county governmental complex that would include the County Courthouse and an office building immediately north of the courthouse.

Administrative and control areas and the sheriff's living quarters are included in the jail design, prepared by Architect Henry Gabriel of Granite City.

Low bids totaled about \$5,500,000, and \$4 million had been allocated.

Possible omissions include reducing the number of cells

from 123 to 107 or 91 cells.

The possibility of federal law enforcement funds to supplement available county bond revenue is being studied.

J. J. Altman Co. of East St. Louis submitted the low general work bid of \$3,840,000.

Holiday weekend events

Flags are to be placed along Madison Avenue on Saturday by Veterans of Foreign Wars Post 1300 for the Memorial Day holiday and four memorial services will be conducted by veterans' organizations during the holiday weekend in the Quad-City area.

Robert Paschedag is VFW commander.

Balazs Magyar, commander of Venice-Madison American Legion Post 307, will conduct Memorial Day services at 10 a.m. Sunday on the lawn at the post, 740 Broadway, where crosses have been placed.

Miss Dorothy Hinson of Madison will be the Venice guest speaker. She has been a Legion Auxiliary official at the local, regional, state and national levels.

"Taps" are planned along with a wreath ceremony at the simulated military cemetery, which includes a replica of the Tomb of the Unknown Soldiers.

Some of the members of Daughters of Union Veterans, Tent 90, will gather at the City Hall lawn at 9 a.m. Sunday. The members will place a wreath on the monument, offer prayer, pledge their allegiance and present "Taps."

Any individuals or organizations wishing to participate are being invited to join the Daughters of Union Veterans in the observances.

Prayer will be by the Tent 90 chaplain, Mrs. Gussie Munsterman. "Taps" and the flag pledge will be arranged by the Boy Scout troop of St. Elizabeth's Church.

Mrs. Marie Boyd is president of Tent 90.

During the ceremony, Mrs. (Continued on Page 31)

Bank in Madison closed Saturday

The First National Bank in Madison will halt operations at 5:30 p.m. Friday for the Memorial Day weekend.

The bank will resume regular hours Tuesday, June 1, with drive-in windows opening at 7:30 a.m. and the lobby opening at 9 a.m. It is usually open on Saturdays.

Decatur and Chicago as sixth highest at 105 micrograms. Other Granite City stations (Continued on Page 31)

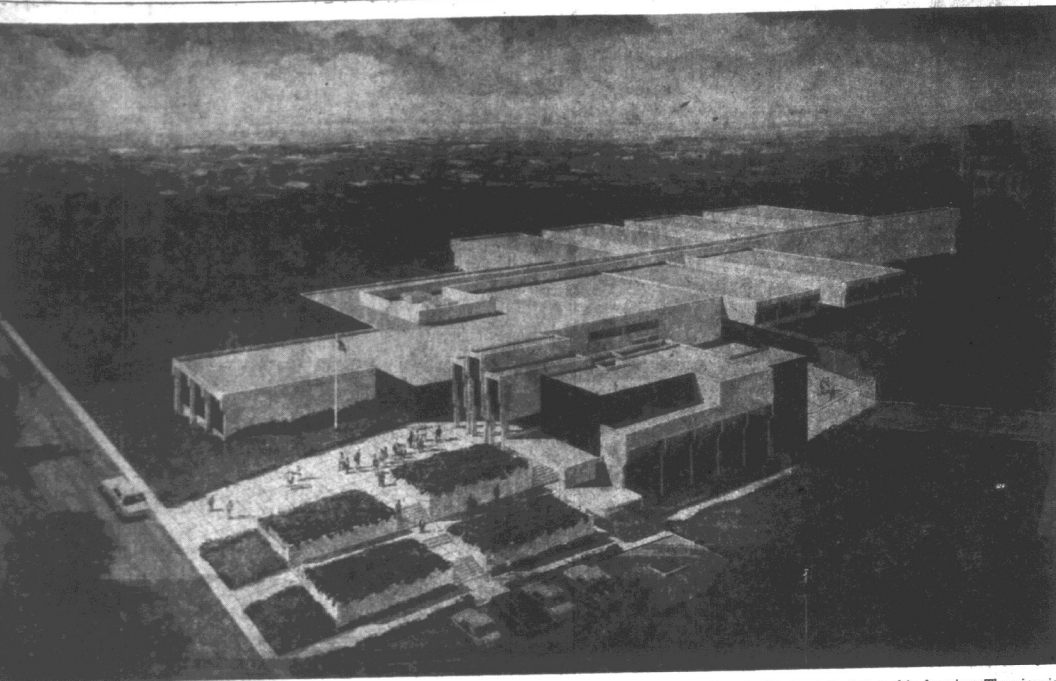

Outdoor GC graduations

(Senior lists on Pages 6 and 7)

Commencement exercises for both Granite City high schools, North and South, will take place on the city's athletic field on Pehling Road. GCHS South's graduation will begin at 8 p.m. Friday and the GCHS North commencement will start at 8 p.m. Saturday.

In the event of rain either evening, the exercises will be moved into the gymnasium of GCHS South.

James Dumont, principal of GCHS South, said a decision will be made at 2 p.m. Friday whether to have the South commencement outdoors or in (Continued on Page 31)

ULTRA-MODERN COUNTY JAIL plan. Negotiations are in progress to reduce the construction contract amount to within available Madison County

funds. Randle Street, Edwardsville, is at the left in this drawing. The view is approximately from the County Courthouse area.

On and off the record

A scout is helpful—and observant

A scout is trustworthy, loyal, helpful and observant. Cub Pack 44, sponsored by the Namezki School Parent-Teacher Association, held a father-and-son campout during the weekend at the Granite City Army installation.

James Foley, father of a Webelos scout, reports that an

Brother, can you spare a bit of water?

The unexpected spring drought continued here this week, prompting Wayne B. Siefert, lawn and garden specialist of the University of Illinois Extension Service, to report a potential crisis for young saplings and newly transplanted trees.

Pyramid pushers persistent

Some Quad-Cityans who are pushing "Bicentennial" or "savings bond" chain letters contend this week they are not violating postal laws if they don't mail the letters but instead forward them by other means.

But, as shown here following formation of Quad-City "pyramid clubs" three decades ago, the whole concept involves unfairness and misrepresentation because of the mathematical impossibility of finding double or quadruple the number of new recruits each time. Projected numbers quickly total more than the number of people in a community—or in the world.

Bright Memorial weather prospects

The U.S. Weather Bureau is cooperating with those planning picnics, camping or other outdoor activities during the three-day Memorial Day holiday period as the forecast through Monday is for warm days with little chance of rain.

Today's forecast is for partly cloudy skies with the high in the mid-70s. Tonight will be fair

with a low in the 60s and tomorrow is forecast for partly cloudy with a high in the mid to upper 70s.

The extended outlook calls for high Saturday, Sunday and Monday in the 80s with lows in the upper 50s to mid-60s.

Chances of precipitation through Monday are "very slight," the Weather Bureau says.

A local resident told the Press-Record, "I agree that all who participate will not receive \$28,400 but no one expects to receive that amount." But such reasoning ignores the inevitable fact that every dollar of "profit" in chain schemes is a dollar of direct loss for someone.

One resident reports "people in Granite City are receiving bonds from all over the country."

The Illinois attorney general has begun an investigation of a plan under which a packet containing a bond and a list of ten names is purchased for \$27.50, and the recipient buys bonds, totaling \$75 for forwarding.

A local resident told the Press-Record, "I agree that all who participate will not receive \$28,400 but no one expects to receive that amount." But such reasoning ignores the inevitable fact that every dollar of "profit" in chain schemes is a dollar of direct loss for someone.

Intense air monitoring

Granite City continues to get bad marks from the state in the particulate aspect of air pollution, it was noted at Monday night's City Council meeting, and one possible factor cited was the intensive nature of air monitoring here.

The 1975 annual report of the Illinois EPA released to the City Council, again shows that an air quality monitoring station at the home of First Ward Alderman William Dallas, 3001

E. 20th St., measured the highest level of suspended particulates in the air during the year than any other monitoring station in the state.

It was the second consecutive year Dallas' home has received the dubious honor, to which other councilmen jokingly referred as "the dirtiest house in the state again."

The report showed an average particulate count in the air at that measuring station of

158 micrograms per cubic meter for samplings during the year.

Second and third highest counts were at two Chicago monitoring stations, which registered 139 and 148 micrograms per cubic meter.

A measuring station at 15th Street and Madison Avenue in Granite City was fourth highest in the state at 138 micrograms.

One at 23rd Street and Madison Avenue tied with

Sewer alternatives debated

Revenue bonds were described as neither to home owners and as impossible to sell at May 15 and 22 hearings on three proposed sanitary sewer installation projects. But the idea of other alternatives to general obligation bonds continues to be discussed by some residents.

One of the most active in circulating petitions in an effort to block the Area One sewers (Namezki, Chouteau and Venice Townships), Mrs. Ruth Andrews of the Wilshire area, said this week she feels state federal funding can be extended long enough to devise alternate financing methods.

She declined to specify the precise alternative but said

detailed plans for it are being worked.

Other than revenue or GO bonds, the main other avenue mentioned at the hearings was advance cash payment in full by all those to be served by sewers.

Her objection to general obligation bonds is that they are retired through property taxes, which vary according to the assessed valuation of the property. Revenue bonds are repaid through flat regular

Prosperity, expansions

(Clad of a Bicentennial year Press-Record series)

George W. Niedringhaus in 1919 organized the St. Louis Coke and Iron Company to put the Roberts process into commercial operation. It involved creating coke from coal mined in Illinois.

A mammoth coke plant was erected east of the steel rolling mill in Granite City. The location was a half-mile from the Granite City Steel Works.

The new plant consisted of 80 Roberts byproducts coke ovens and one 500-ton blast furnace.

The coke plant cost \$12 million and was completed in two years, with production of coke starting on Feb. 8, 1921.

The process proved to be a technical success. Operating entirely on coal from nearby

detailed plans for it are being worked.

Other than revenue or GO bonds, the main other avenue mentioned at the hearings was advance cash payment in full by all those to be served by sewers.

WILL HE BREAK RECORD? Richard A. Rose, a Granite City businessman and former high school track star, checks his timing in Wilson Park under the supervision of Randy Biggestaff. Granite City School District athletic trainer, right, for his attempt Sunday to beat the world record for non-stop running—121 miles, 440 yards—set in 1969 by Jared R. Beards. Rose also will join other local runners in the second annual benefit "run for cancer" Saturday, June 5, along Madison Avenue.

'Loneliness of the long distance runner' may be brightened by new world record

Seen frequently around Granite City High School South and in the Wilson Park area is a Granite City businessman and former high school track star who runs between 10 and 15 miles per day.

Richard A. Rose, 24, has two special events drawing near. Both are pushing him to superhuman efforts in preparation.

This Sunday, starting at 10 a.m., Rose will attempt to break the world record for non-stop running—121 miles and 440 yards—set in 1969 by Jared R. Beards of Westport, Md., and recorded in the official Guinness Book of Records.

His second challenge will occur Saturday, June 5, when he will lead a field of several runners in the second annual "run for cancer" marathon to

benefit the Fay Bosworth Day memorial fund.

The endurance benefit run will be along Madison Avenue in Granite City.

"Last summer, we raised \$350 in Mrs. Bosworth's memory and I ran 45 miles in 86-degree weather," Rose said. "This year, I want to run 50 miles in 12 hours," he added.

"We'll run up and down Madison Avenue again, each setting his own goal, with sponsors putting up dollars for the distance attained," the running enthusiast said.

Others planning to participate are members of the Granite City Track Club and include Duane Terry, Jim Hall, Don Meagher, Gene Smart, Howie Bryan and Sam Nesbitt.

Rose and his fellow runners still are looking for sponsors for

the June 5 cancer run.

Persons interested in taking part as sponsors by donating any amount of money, per mile completed, to the Fay Bosworth Day memorial fund, are to contact Rose at 876-6182. The proceeds will aid cancer victims and research projects.

In his attempt Sunday to better the world record for non-stop running, Rose will run during a 24-hour span, beginning at 10 a.m. and continuing into Monday.

He will try to eclipse Bead's 1969 record on the track at Granite City High School South. Bead ran the 121 1/2 miles in 23 hours and 27 minutes, but Rose has been assured that time isn't the primary consideration; it's distance.

"If I run 122 miles, it is my record regardless of whether I

run it slower or faster than Bead's time," Rose said. Just to be on the safe side, the runner said, he intends to break the record with distance to spare.

"I'll never be in better shape," Rose commented, exuding confidence that he can beat the non-stop record.

For one thing, Rose noted, he isn't stale. Except for three weeks in February, he has been running 10 to 15 miles a day, seven days a week for four or five months.

He hopes to average five to seven miles each hour on the quarter-mile cinder track at South High, and is planning to consume grapes, fish, oranges and GatorAid with pinches of salt during the run.

Rose believes his major obstacle will be fighting off fatigue, and he has been con-

ditioning under the supervision of Granite City School District athletic trainer Randy Biggestaff.

In preparation, Biggestaff recommended a daily running and rest pattern for speed and to help condition Rose's leg muscles for longer distances.

"Just recently," Rose said, "I ran two miles in 9:18.2, the best time I've had since high school," he has been running competitively since he was in the fifth grade.

Major auto design revision; change at Smith during June

About 700 employees of the A. O. Smith Corp. auto frame plant on Route 3 will be laid off or go on vacation after Friday as the plant undergoes its annual model changeover preparing the production lines to make 1977 auto frames.

A company spokesman described this year's changeover as "a major model

change—the first major change since 1970." The company has two production lines, one of which was shut down earlier this month for the changeover. Production on one line is expected to resume on a one-shift basis on June 28, expanding to a two-shift basis about July 6.

Depending on customer

requirements, the first line could be operating on three shifts by Aug. 9, when the second line is expected to reopen.

The spokesman said the line now in operation is running around the clock (three shifts) until the requirements for 1978 frames have been fulfilled. It is anticipated that the required number will be reached sometime tomorrow and the line will be closed.

Most production people and many salaried employees then will take vacations or be laid off, but the engineering and maintenance departments, involving about 300 people, will be "running full blast during the changeover," the spokesman said.

The A. O. Smith here produces auto frames for full-sized General Motors Chevrolets, Oldsmobiles, Buicks and Pontiacs. Although two separate types of frames are required, and additional variations in each type, each line will be capable of producing frames for all four types of autos after the changeover, the spokesman said.

New ambulance service June 1

A new 24-hour per-day ambulance service, EMT Ambulance Service, will begin operation in Granite City Tuesday morning, June 1, according to Philip J. Thebeau, owner and operator.

The EMT Service, with the initials standing for Emergency Medical Technicians, can be reached at the office at 1417 Twenty-first St. by calling 876-3224, days or nights.

Thebeau explained that he is beginning operations with two ambulances he purchased in Northern Illinois—both Oldsmobiles—and will start with about four employees. He hopes to build the staff to about eight employees in the near future.

All ambulances meet state requirements he added.

Thebeau, an ambulance driver and attendant for Mercer Ambulance Service, said the opening of the new service is in conjunction with a reduction of ambulance activity at the Mercer firm.

Most emergency calls to Mercer will be referred to EMT or another emergency service, while Mercer will use one ambulance only for convenient calls.

Youths charged

Gaither E. Yates, 17, of 1722 Delmar Ave. and a 16-year-old boy were arrested Tuesday by Granite City police, who charged them with theft.

A \$30 book of food stamps, valued at \$24, allegedly was taken from the home of Paul Maloney, 1729 Edison Ave. May 19. Police said restitution has been made to Maloney for the loss.

Both of those charged were released on notices to appear in court.

HAPPY BIRTHDAY, AMERICA. Eighth grade social studies classes of Prather Junior High School, 2300 W. 25th St., directed by Gene Gunderson, present a special Bicentennial program at the school Monday afternoon. Michael Bennett, 14, son of Mr. and Mrs. Charles (Norma) Bennett, 2161 Cleveland Blvd., as "Uncle Sam" narrated the

program and interviewed famous people from the days of the pilgrims to moon-walking astronauts. One scene featured dialogue between Benjamin Franklin (Steve Mann) fourth from right in front, and Bald Eagle (Cathy Cuvor), third from right, Franklin urging that the national

bird be the turkey. The school cafeteria was decorated in red, white and blue, with a large Bicentennial flag on the wall. After the program, a giant cake decorated like the U.S. flag, and complete with birthday candles, was cut and served along with punch to students at the "birthday party."

Salary talks in Madison

Salaries are the major item left to be negotiated between the Madison Federation of Teachers and the Madison schools for 1976-77. Representatives of the two groups met Wednesday night at the board office. "We have come to an agreement on nearly everything but salaries," Superintendent of Schools John Falchiff said. "Both the representatives of the district and teachers agreed that we will meet again in late June and see if, by then, we have heard anything concrete from the state as to how much funding we are going to receive. "We can't make decisions on anything until we hear from the state." Representing teachers at the meeting were Mrs. Margaret Blackshire, Charles Steple, Willie Dennis and Miss Paula Domino. Supt. Falchiff and Wade James, assistant superintendent, represented the district.

\$7 million contract for fourth slab furnace here

Midland-Ross Corporation, Cleveland, Ohio, has announced that its Surface Combustion Division has received a contract in excess of \$7 million to install a walking beam slab reheating furnace at Granite City Steel, a division of National Steel Corporation. The furnace, which will be 110 feet long and 36 feet wide, is scheduled to be completed in mid-1977, according to George A. Hommel, general manager of Surface Combustion. It will be capable of handling steel slabs 33 feet long, five feet wide and one foot thick, and will have a nominal production capacity of 300 tons an hour. The furnace will join the first three walking beam furnaces of this type ever built, which Surface Combustion installed in 1967 for Granite City Steel. Hommel said approximately

50 walking beam furnaces of the basic Surface Combustion design are now in use worldwide. Many of them have been installed by Stein Surface S. A. of Evry, France, a subsidiary, and Chugai Kō Kogyō Kaisha, Ltd., of Osaka, Japan, a licensee of Midland-Ross.

Regular Venice bridge maintenance program

Talk in Missouri this week about whether the Bi-State Development Agency should seek federal action to acquire metropolitan area bridges ignores the state government's authority and also implies that Venice's McKinley Bridge is in bad condition, city officials noted Tuesday night in defending the Mississippi River span.

Tyrone Echols, chairman of the aldermanic bridge committee said Tuesday evening following a City Council meeting that "we are not interested at this time in sale."

"With Federal Aid Route 151 nearing completion and the additional traffic on the bridge in recent months, we feel the federal government should help with maintenance."

"Our bridge is in rather good shape, and we are doing \$300,000 worth of remodeling and repairs to the bridge right now."

"We are also not interested in losing its jobs provided by the bridge to Venice citizens, and it's a sure bet that Bi-State wouldn't hire many people from this side of the river," Echols said.

City Attorney Harry E. Hartman commented, "Under its existing authorities, the Bi-State Development Agency does not have the power to buy bridges."

Mayor William Ebersold said, "There will have to be a lot more thought about our bridge. The bridge is inspected annually and kept in good repair."

"We meet all the requirements by the inspectors from both Illinois and Missouri. I feel that with the extra traffic from the new federal and state highways, our bridge

that enable the rails which move the slabs to retain their insulation longer.

Pontoon board will consider license plan

Two ordinances are to be considered for final passage by the Pontoon Beach Village Board at its meeting beginning at 6 p.m. Friday in the village hall on Lake Drive.

The ordinance is designed to regulate "massage parlors" and the other would change the day and time of the meetings of the second and fourth Thursdays of each month, beginning at 7:30 p.m.

The board presently meets the second and fourth Fridays, starting at 6:30 p.m.

The massage parlors ordinance would require masseuses and masseurs to be licensed by the village and would set sanitation standards and minimum equipment requirements for such establishments.

The ordinances were first read at the board's May 14 meeting and are being brought up for final passage.

Two SHOTGUNS TAKEN. Two shotguns, a stereo set, a sewing machine and an assortment of pills, with a total value of \$1,500, were taken from the home of Fred Koller, 2008 Hildebrand St., Cloverleaf, Madison. He returned home at 10 p.m. Wednesday and found the front door forced open.

Graduates of Washington U.

Bernard S. Miller III, a son of Mr. and Mrs. Bernard S. Miller, 1618 Lindell Blvd., and Andrew J. Miodsky, son of Mr. and Mrs. Andrew C. Miodsky, 3128 Harvard Place, were among those who graduated from Washington University, St. Louis, at ceremonies held during the weekend.

Miller graduated with honors with a bachelor of arts degree from the Chinese and Japanese department. He studied modern and classical Chinese language, Chinese civilization and economics and this spring was elected to Phi Beta Kappa's Beta Chapter of Missouri.

In September, he will begin work toward a master's degree in Far Eastern languages and civilizations at the University of Chicago, where he was awarded a LaVerne Noyce Scholarship and a Humanities Visiting Committee Fellowship.

Miodsky received a bachelor of arts degree in political science during the commencement exercises.

The sum of \$1 from each ticket purchased was presented to the Shrine's Hospital for Crippled Children.

O.K. CORRAL, a new lounge which has opened near Nameoki and Johnson Roads. Owned by B. C. Gitcho, it features a mase bar 272 feet long on two

levels. The bar surrounds three dance floors. Both the interior and exterior are decorated in western style.

(Press-Record Photo)

Western theme for new lounge

The OK Corral Lounge, located behind McDonald's Restaurant near Johnson and Nameoki Roads, has officially opened to the public. B. C. Gitcho, owner, reported Tuesday.

Gitcho noted that the new lounge, which opens at 10 a.m. each day, features a new concept with a 272-foot-long "mase" bar, the longest in the metropolitan area. There also are three dance areas inside.

He described the interior decor as "Western, but sophisticated, with walls decorated in natural wood and buckskin, numerous large mirrors and western artifacts."

The exterior of "rough-sawn cedar battens" has been designed to match the Corral Liqueurs exterior, giving that

area an overall western appearance. Two desert cactus gardens have been placed near the entrance to the new lounge.

Gitcho noted that more than a half-acre of paved parking is adjacent to the lounge.

He said an attempt is being made to provide inexpensive service while maintaining a friendly clientele. Part of that control is a dress code which prohibits shorts, work clothes or bluejeans as attire for customers in the lounge, he explained.

Plans are being formulated to make the lounge into a private club in the near future.

2 fires in 6 minutes

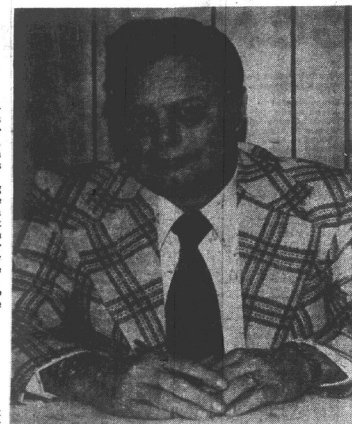

Two fire alarms within six minutes Tuesday evening, challenged the Granite City Fire Department as both had to be fought simultaneously and a pumper had to be called from one fire to the other.

The first alarm was at 10:41 p.m. Tuesday at the home of Charles Jolly, 2225 Delmar Ave., where an extension cord short-circuited, starting a fire which caused only minor damage. Firemen were on the scene 15 minutes.

At 10:47 p.m., an alarm was sounded for a vacant house at 3 Middlesex Court, where trash and mattresses thrown in the rear of the house had apparently been set on fire. The house is owned by Royce Realty.

Firemen at the second fire requested a pumper be brought from the first fire to the second and the transfer was made. There was only minor damage to the vacant house, firemen said.

SOMETHING TO SAY? TRY A PRESS-RECORD CLASSIFIED AD

HARRY C. DORTCH

Dortch promoted by Reese Drug Stores

Harry C. Dortch has been appointed executive vice president and general manager of Reese Drug Stores, Inc., Granite City, it was announced today.

The executive began working for the firm in 1942 as a dishwasher in the Downtown Reese drug store's soda fountain. He also distributed handbills and later worked as a clerk, pharmacist, store manager and supervisor.

A 1948 graduate of Granite City High School, Dortch attended the St. Louis College of Pharmacy after serving in the U.S. Navy.

He has managed Reese stores in Madison, Godfrey and Cahokia.

In his most recent positions, as a supervisor, he has worked

in such areas as personnel, store planning and layout, remodeling, expansion, buying and negotiating and union contracts.

At present, Dortch is in Aspen, Colo., supervising a Reese store expansion project. He is married to the former Kathleen Niebur and the couple has three children, Brian, 20, a student at Western Illinois University, studying law enforcement; Jackie, 19, majoring in accounting at Southern Illinois University; and David, 15, a Granite City high school sophomore.

Other officers of the Reese Drug Stores include Jack Reese, president; Fred Barr, secretary; and Harry Fisher, treasurer.

Brother (Continued from Page 1)

soil close to the plant, leaving nearby soil dry. As the water is used up, developing roots won't grow from moist soil into dry soil. The 10x10-foot area will result in a large root system and better performance.

The Extension's garden adviser, Chris Doll, noted Tuesday that "garden vegetables need an inch of water a week in late spring and the summer to maintain high quality and yields."

"This inch of water will moisten loam soils about six inches deep. It will penetrate less in clay soils and more in sandy soils. Sandy soil requires more frequent waterings because it has less water holding capacity."

"The inch of water is better when applied as a single application rather than a little each day. Frequent light sprinklings don't get the water down to the plant's root zone. The water can be applied by a hose, squinkier, perforated hoses or by flood-line. Uniform application down the row or over the garden is essential for best results."

"Watering can be done anytime during the day, but disease problems might be avoided by watering early enough in the day so that the plants dry before the dew appears in the evening."

44 Venice High graduates

John Lester Buford, a former educator, businessman and civic leader who now lectures nationally on education, will be the speaker at a tomorrow evening at the Venice High School graduation ceremony. Buford's topic will be "You've Got to Have a Dream."

In addition to lecturing on the topic of education, Buford is often called upon as a consultant for school districts. He received his bachelor's degree in education from Southern Illinois University and his master's degree from the University of Michigan and is the recipient of several honorary doctorates.

He was superintendent of schools at Mount Vernon for 27 years and president of the National Education Association, the Illinois Association of School Administrators and the Illinois Council of Educational Administration. He also has served as delegate to numerous national and international conferences.

Buford serves as a member of the board of directors of The Bank of Illinois and the Roosevelt National Life

Insurance Company. He has been a member and officer of the Southern Illinois University Alumni Association and Foundation board and the Mount Vernon Chamber of Commerce and Rotary Club. He is currently chairman of the finance committee, First

United Methodist Church of Mount Vernon, a member of the lay advisory board of Good Samaritan Hospital and a YMCA board member. Those attending Friday's commencement will be welcomed by Venice Superintendent of Schools

Robert N. Vickers. Diplomats will be presented to the graduating seniors by Jack R. Tolliver, president of the Venice Board of Education.

Father John O'Connell, pastor of St. Mark's Catholic Church in Venice, will present the invocation. The benediction will be offered by the Rev. Charles C. Waters, pastor of Canaan United Methodist Church. Valedictorian of this year's graduating class is Peggy Pier, who will play the organ during the program. Tamieck is the 1976 salutatorian.

The Venice High School Chorus will sing "I'll Always Remember," "The Halls of Ivy," "The Way We Were" and "From the First Hello to the Last Goodbye." Miss Alice Purdes is director of the chorus and Miss Tamieck Boushield will be the accompanist. The Rev. William Young will play the drums.

Graduates other than Miss Pier and Miss Eck are Debra Denise Bailey, Richard Bailey Jr., Jack D. Ballentine, Noreen A. Barbee, Dennis K. Britt, Arlene Bernice Brown, Debra Ann Burns, Sharon Ann Cavin, Connie Sue Clifton, Jerald

William Corrie, Patricia Eloise Cotton, Ladonna Marie Crawford, James Melvin Crowder, Dwight Vonzell Gardner, Reginald Lewis Gardner, James Noah Gonterman, Hildred A. Gowan, Pamela Elaine Henry, Caleb C. Jennings, Gloria Cynthia Johnson.

Bernadine Michele Lucas, David Lee McDonald, Patricia Elaine McIntyre, Robert Lee McKinney, Clifford Ferdinand Mathis Jr., Carolyn Ann Moore, Elaine Mosby, Deborah McClelland Pryor, Susan Lorraine Puente, Pawnee L. Riggs, Darlene Smith, Sharon Joyce Taylor, Richard Joseph Tolliver, James Edward Turner Jr., Lillian Marie Walker, Tim Walker, William Robert Welch, Yolanda A. Wiley, Pamela C. Woodford, Brenda Joy Woods, Jaffee Woolfork and Vicki Young.

STEAL 1973 AUTO
The yellow 1973 Chevrolet Vega two-door auto of Cheryl Monroe, 3903 Kirkpatrick Homes, was stolen from her home, she reported at 12:15 p.m. Wednesday.

RETIERING OFFICER HONORED. Brigadier General John E. Sterling (right) receives the Distinguished Service Medal from Major General E. H. Johansen, commander of the Aviation Systems Command. The medal is the Army's highest award for exceptional service outside of combat. Gen. Sterling, commander of the Troop Support Command, will retire June 1. Both generals reside at the St. Louis Army Support Center in Granite City.

Ease Poplar Street Bridge congestion

The Illinois Department of Transportation has advised that congestion within the interchange and approach complex to the Poplar Street Bridge is being relieved before the Memorial Day weekend.

Closed eastbound and westbound through lanes of Interstate 55-70 are being opened.

The structural steel repairs and replacement of expansion devices that required the closing of the roadways has been completed under a contract with the H. H. Hall Construction Company and Illinois Ben Hur Company for \$1.4 million. This work has been

completed six months ahead of the November 1976 completion date.

The roadway bridge deck repairs immediately adjacent to the Poplar Street Bridge, being accomplished by the H. H. Hall Co. under a separate contract, has been expedited in conjunction with the steel repairs so that the through roadways can be reopened.

The Route 3 exit and access roadways will be restricted to one lane while the deck repairs are finished. It is estimated this will take five weeks.

About 100,000 vehicles daily travel through the complex across the Poplar Street Bridge.

Ethnic days plans to be made tonight

A meeting of representatives of all organizations interested in participating in the Madison Ethnic Bicentennial Festival will be held at 7:30 tonight at the Madison City Hall. William Gushfield, general chairman, reports.

The event is scheduled for Friday, Saturday and Sunday, July 2, 3 and 4, on the St. Mary's School grounds, 10th and Lee Streets, Madison.

All organizations in Madison are being asked to participate and sponsor booths at the festival.

Stolen car burns

A 1975 Oldsmobile Starfire, stolen from the home of John Hadley, 3201 Kilarney Drive, was found burning on Rock Road by the Trailriders' Saddle Club Arena at 11:30 p.m. Wednesday. Fire officials declined to answer the alarm and the car was destroyed. Hadley did not know until 12:35 a.m. today that the car had been taken. Officials noted that the area where the car burned is not within the Granite City fire district.

Legislative scholarships

Three local students and 12 altogether have been selected by a Citizens' Scholarship Committee to receive legislative scholarships to Illinois state universities. State Representative Everett G. Steele has announced.

Robert Sawicki, 3640 Adams St., has been awarded a University of Illinois scholarship. He plans to major in engineering. He is graduating from Granite City South in three years.

Carol Lynn Kinney, 2584 Waterman Ave., has been awarded a University of Illinois scholarship. She plans to major in chemistry-food science. A senior at Granite City North, she has a grade point average of 4.77, ranks 4th in a class of 306, and is a recipient of an outstanding musicianship and service award.

Terese Ann Klarick, 20 Devon Hill Lane, has received a scholarship to SIU at Carbondale. She is presently attending SIUC, where she is majoring in dental hygiene. She was on the dean's list at SIUC last year.

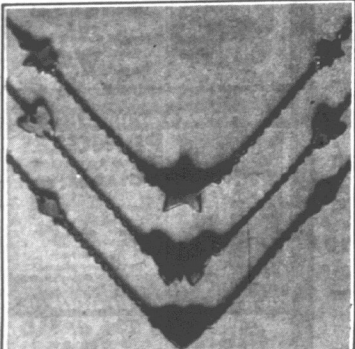

The scholarship awards were made from among 45 applicants. The one-year scholarships will pay tuition and, in some instances, fees at the state university selected. Each of the 236 members of the General Assembly is permitted to award the equivalent of two four-year scholarships to residents of their districts.

Last year, Steele began a policy of awarding scholarships

available through his legislative office on the basis of merit, scholarship and need through a citizens committee.

Serving as chairman of this year's committee was Mrs. Robert Braver, 3027 Mockingbird Lane, Nameoki Township, a past president of the Madison County Homemakers.

Other committee members were Mrs. Ruth Huxel of Granite City, retired personnel supervisor, Mrs. Mary K. Webb of Godfrey, a counselor in the Alton school system, and C. B. Rippey, Alton.

Lift station called faulty

A faulty lift station in the Lincolnwood Addition—where a force main sewer from Archer Daniels Midland Co. soybean processing plant empties into existing Granite City sewers—

has been allowing waste materials and water periodically to flood lawns, the Granite City Council was told Monday night.

Lockhaven Drive, alleged that the lift station often backs up and water and plant waste flood his rear yard, seeping under his house and clogging his sump pump.

When the water recedes after such an incident, a yellow residue is left on the ground, Hutchinson contended. He showed the aldermen samples of grass taken from his yard after such a backup and alleged that the grass would burn rapidly if it came into contact with fire, burning much like coal oil.

A short time later, the first sewer line, made of plastic pipe, disintegrated due to high pressure and the hot water running through it, the council was told. ADM agreed to replace the line and did so with stronger clay tile pipe, but problems with the lift station behind Hutchinson's home continued, it was related.

Lionel Portell told the council Monday night that his department routinely services the lift station and cleans the filters in it, but has been unable to keep the unit from malfunctioning. City Engineer Monroe Brewer contended the pump was poorly designed for the type of waste it was to carry, since soybean oil can short-circuit electrodes which control when the lift station is to operate.

"We have been trying to get them to replace that lift station because we do not want it," Brewer commented. He said the city has owned the lift station one year, but feels the firm is responsible for replacing it because it handles only ADM's discharge. "If they are going to keep the sewage flowing, they should replace it," Brewer said.

The question will be who will pay for the new lift station when it is designed, he added. "When we accepted this system, we accepted it as a workable system with a workable lift station," Brewer said.

Mayor Paul Schuler told Hutchinson he was not aware of the severity of the problem, and Schuler asked City Attorney George Filcoff to investigate whether any ordinances are being violated. "This should have been referred to the attorney before this," the mayor remarked. Schuler also requested that Portell offer whatever aid the street department can to help Hutchinson, including repairing or replacing his sump pump.

Burglars seen leaving home

Mike Ditch, 2648 1/2 Lincoln Ave., returned home at 11:50 p.m. Monday and found the front door window broken and his house burglarized. Items valued a more than \$500 were taken.

A maroon 1965 Chevrolet two-door auto was seen cruising around the block several times with its headlights off. At about 11:30 p.m., two young men were on the sidewalk carrying something.

The car drove past and one of the young men on the sidewalk called out a name. The car stopped and picked up the two. It left east on Lincoln Avenue, crossing Nameoki Road, still without any headlights.

The driver and the two who got in the car were about 17-18 years old and all had long hair. Stolen from Ditch's home were a \$150 amplifier, a \$75 camera, a \$65 clock radio, a \$55 ring, a \$75 pair of earrings, a \$65 tripod, a \$5 camera device, a jewelry box and also eight watches with values totaling more than \$200.

THEFT FROM AUTO
A \$300 citizen band radio was stolen from the unlocked auto of Edward Hall, 2208 Edna St., parked in front of his house, it was reported Monday.

Surplus park Mrs. Stoyanoff, 85, dies

equipment

A brief meeting of the Granite City Park District's Board of Commissioners last night at Wilson Park included approval of disposing of surplus park equipment, such as a pickup truck and playground equipment that is beyond repair and has not been used for the past two years.

Requests for bids failed to produce a buyer, and the board then agreed to sell to anyone making reasonable offers. With the 1976-77 fiscal year budget soon to be prepared, approval was given for budgeting for a new vehicle to be used by Harold Brown, director of parks and recreation.

Mrs. Stoyanoff, 85, dies

Mrs. Stamena Kadioff (Popoyanoff) Stoyanoff, 85, of 910 Echo, Collinsville, formerly of Madison, died at 11:10 a.m. Wednesday at the Pleasant Rest Nursing Home, Collinsville. She had been ill for eight months.

Mrs. Stoyanoff was born in Macedonia-Greece. She and her late husband, Kosta Stoyanoff, owned and operated the City Bakery Co. in East St. Louis prior to retiring.

She is a member of the Holy Trinity Bulgarian Orthodox Church and the Ladies Aid Society.

Her husband died Nov. 5, 1969. Survivors include a son, Stoyan K. Stoyanoff of Troy; two daughters Mrs. Tom (Mary) Napoli and Mrs. Bob (Seneca) Ripley, both of Collinsville; two brothers, Louis Popoyanous of Toronto, Canada, and John Popoyanoff of Edwardsville; and seven grandchildren.

Funeral arrangements are given in the obituary column.

PENNY DUNCAN

Seek location of student, 14

Mrs. Margaret Duncan, Rural Route Two, 777A Carolyn Blvd., Mitchell, is attempting to contact her daughter, Patricia "Penny" Duncan, 14, who has been missing since leaving first hour classes Monday at Granite City High School North.

"Penny" has never stayed away from home before," Mrs. Duncan said. She is a freshman at North High and a new member of Pontoon Beach Police Explorer P81255.

Penny may be with a girlfriend who also failed to come home Monday. The school girl also has no record of staying away from home.

No reason for the girl's disappearance can be offered by the mother, who said her daughter wanted to go to a car racing event with the family during the Memorial Day weekend.

"Monday morning, she also gave a notebook to a sister and asked her to take it home, as she had to study that night for her science final," Mrs. Duncan said.

"We're very concerned about her. If she does not want to call home for some reason, we are asking her to call someone else and let us know that she is all right."

Penny is five feet tall, has blue eyes and weighs about 100 pounds. She has long, dark-blond hair.

Anyone having information about her is asked to call Mrs. Duncan at 797-0097.

Await action on Ricco's II license appeal

Although the Illinois State Liquor Control Commission met last week and was to act upon an appeal from Ricco's II Lounge, 3675 Nameoki Road, on a liquor license revocation by Granite City Mayor Paul Schuler, a spokesman for the commission said today the case is still under advisement.

Schuler, who also is the city's liquor control commissioner, said he believes the commission has only 30 days to act after the commission's first hearing, or the revocation order is automatically upheld.

He believes the 30-day period started with commission's first hearing on the appeal May 3, and will expire Wednesday, June 2.

If the revocation order is upheld, the lounge must close, unless Schuler's order is appealed to the civil courts.

Mayor Schuler revoked the license Dec. 23, following a lengthy hearing on a fatal shooting and a stabbing on the parking lot near the lounge Dec. 8.

The state Liquor Control Commission was requested to study the appeal on the bases of the transcript from the Dec. 23 hearing in Granite City.

Hugh Hoskinson, 93, dies

Hugh Hoskinson, 93, of 3523 Anchorage, died at 11:08 a.m. Wednesday at The Colonades nursing home, where he had been a patient since April 13. A native of Ohio, he had resided here for 63 years. Mr. Hoskinson was employed at the Union Starch and Refining Co. for many years as a laborer prior to his retirement in 1948.

Paper drive this weekend

The Catholic Youth Organization (CYO) of St. Elizabeth Catholic Church will conduct a paper drive Saturday and Sunday. Home pickups of cardboard, paper, magazines or newspapers can be arranged by telephoning the day or evening before the pickup. Those wishing a Saturday pickup are to telephone 877-2736 before 7 p.m. Friday, and those wanting a pickup on Sunday are to call 877-4428 before 5 p.m. Saturday. Paper also may be deposited in a truck on the church parking lot at Pontion and Johnson roads between 9 a.m. and 6 p.m. Saturday and Sunday.

His wife, Mrs. Myrtia Hoskinson, died in 1955. He is survived by a daughter, Mrs. Dorothy Ruff of Granite City. Funeral arrangements are given in the obituary column.

TAKE PICKUP, CAMPER
The white over maroon 1970 Ford Ranger pickup truck of Leonard Bieker, 2144 Adams St., was stolen from his home, he reported at 5:40 p.m. Wednesday. The truck has a white camper shell on the back.

Guam water shortage after violent windstorm, local sergeant reports

No serious injuries or deaths among military personnel, dependents, civilian-military employees or Red Cross staff at Anderson Air Force Base or Agaña Base on Guam have been reported as a result of the devastating typhoon-hurricane which struck that area on Friday.

The same report also is true of personnel at bases in the Philippines. Several military personnel from the Quad-City area are stationed on Guam and in the Philippine Islands, but none apparently suffered injury in the vicious storm, according to Mrs. Millie Meehan of the Tri-City American Red Cross Chapter.

The local Red Cross headquarters has been receiving inquiries from families who have servicemen stationed on Guam.

However, due to damage of communication facilities and the heavy traffic over available military lines, all Red Cross communications are limited to emergency situations only, Mrs. Meehan said.

Welfare inquiries cannot be accepted for at least two weeks, the local ARC executive director said. Families of local Air Force sergeant and his wife have been lucky enough to receive a call from the couple, it was learned. Sergeant Richard McCunney and his wife, Deborah, also in the Air Force, have been stationed on Guam since last June. They are expected to return home in September.

He is the son of Mr. and Mrs. William McCunney, 1825 Edwardsville Road, Madison, and the grandson of Mr. and Mrs. Conrad Nagel, 2211 E. 24th St.

Mr. and Mrs. James Swigert, 2540 Jorden Ave., also have a son on Guam. He is Air Force Sergeant Joseph Swigert.

Although the Swigerts have not heard from their son, both are confident that "no news is good news." In their call home, Sgt. McCunney and his wife described some of the conditions on Guam and commented that the experience will be something neither one will soon forget.

evacuated to shelters. Military personnel and their dependents, who were living in civilian housing, were moved to the base and housed in shelters there.

Winds reached a velocity of 200 miles an hour and the shelter the McCunneys were in "creaked and moaned." They could hear huge trees being uprooted and crashing to the ground, they said.

After the storm abated, everyone had to rely on soft drinks, as no water was available.

At the time of this week's phone call, each person was being allowed two cups of water per day, they said. Many ships were damaged and blown toward the island and damage was extensive to many buildings.

Prosperity (Continued from Page 1)

points in this state, the new plant was able to produce excellent metallurgical coke.

When the plant was first built, things appeared bright and company officials were optimistic.

There was no other blast furnace in the St. Louis industrial area; the Goltz furnace in South St. Louis had ceased operations.

Pig iron otherwise had to be shipped in from Chicago and Birmingham furnaces for the numerous steel plants, foundries and stove manufacturing plants in the area.

The close proximity of abundant coal and limestone supplies in Illinois, and what was believed to be an adequate ore supply in Missouri, made it appear as if the economic conditions were ideal.

All the raw material used in making the pig iron could be obtained within 100 miles of Granite City.

In 1921, the existence of the open-hearth furnaces of Granite City Steel at their present location made the selection of the plant a natural one, as the short haul of hot metal was an important factor.

However, the company encountered financial problems. High construction costs during the postwar inflationary period of 1919 to 1921, the collapse of the pig iron market in later years, plus higher operating costs than anticipated—due to lack of sufficient Missouri ores and the substitution of higher priced Northern ores—together with the inability of the company to market surplus domestic coke in the St. Louis area, all combined to plunge the new venture into serious financial difficulties.

Temporary relief was found through reorganizations and receiverships, but it was not until the late 1920s that the plant showed a substantial earning capacity.

This prosperity was short-lived. General economic conditions resulted in a shutdown of the coke and pig iron production facilities in 1935, and activity at the plant for the following six years was confined to the generation of electric power and the liquidation of existing inventories of coke and pig iron.

However, the coke plant was destined to play a vital role in the history of Granite City Steel Co. in later years.

Meanwhile, the Granite City Steel Works continued development of its equipment and facilities.

Company records show that from 1913 to December 1921, a total of \$3,784,000 was spent on such improvements.

The most important of these were extension of the open-hearth buildings and addition of two 60-ton open-hearth furnaces, the completion of No. 2 Universal Mill, including

buildings, soaking pits, cooling tables, shears, cranes, etc., and an addition to the Flat Mill in 1917.

The following year, three additional 60-ton open-hearth furnaces were installed.

In 1919, four-hole soaking pits were added to the No. 2 Universal Mill and annealing furnaces installed in the annealing room; in 1920, the open-hearth department as well as the annealing plant and No. 2 Universal Mill; in 1921, a pickling machine was installed.

No. 2 Universal Mill was changed to a 34 inch 2-high blooming mill, and the billet mill was constructed in tandem with one 9-high 24 inch bar mill.

These are just a few of the numerous additions and improvements made during these years and included in the above cost figure.

In 1921, \$1,000,000 was spent in construction of a new sheet mill, located between the main steel ways and the blast furnaces, at a site to become known as the North Plant.

Following the first World War, despite lack of planning and a military and economic demobilization so rapid as to seem chaotic, the nation not only survived the immediate strains but experienced a continuation of war prosperity.

This unusual postwar business activity lasted from late 1918 to midsummer of 1921, and then ended in an acute but fortunately brief depression.

By the end of 1922, deflation had run its course and industry had adjusted itself to a peace basis.

The 1920s raised the national economy to tremendous heights of business activity.

National income rose from \$59,400,000,000 in 1921 to \$87,200,000,000 in 1929, as wayrolls soared and unemployment almost disappeared.

During this period, the steel industry expanded and prospered as the development of durable consumer goods increased the demand for light, thin steel sheets, such as were used in automobile bodies, refrigerators, metal furniture and washing machines.

Tin plate also came into prominence at that time as a result of the wartime realization that many foods could be packed in tin cans.

The national production of light, flat-rolled steel—including sheets, narrow strips and tin plate—increased from 5.5 million tons in 1920 to 11.1 million tons, or 55 per cent of all steel shipments, in 1929.

Meanwhile, the National Enameling Stamping Company was enjoying the advantages of this national prosperity and industrial expansion.

Production increased and further improvements to the facilities of the Granite City Steel Works exceeded \$2,000,000 between 1922 and 1927.

"The Still Voice"

Who was I meant to be,
Had not my life been taken from me.

What would I have done or been,
Had my life continued to begin.

Would I have laughed,
Would I have loved,
Would I have cried,
Before I died . . . naturally.

Would there have been children descended from me.

Would there have been other ways to have served thee.

Had my mother just allowed me to live,
Oh, God if I meet her again,
Show me the way to forgive.

GRANITE CITY RIGHT to LIFE

P.O. Box 997, Nameoki Station Granite City, Ill. 62040

Weekend games for area Legion nines

Tri-City Post 113 and Glen Carbon Post 435 will compete in non-league baseball contests before District 25 American Legion league action starts next week.

Coach Cottrill "Babe" Champion's nine will play their first contest of the season today against the Alton Optimists at Alton beginning at six o'clock, and then will host Brookwood, Mo., Saturday at Wilson Park's diamond one in a doubleheader at 1:30 p.m.

Tri-City Legionnaires will see action again Saturday, June 5, in a twin bill at New Baden and Sunday, June 6, at home in a doubleheader with St. Louis Europa, before starting the league schedule June 7 at Cahokia.

Post 435, with Coaches Art Jovi and Bud Madden guiding the team, will open its league campaign Monday, May 31, with a noon doubleheader at Collinsville.

With two non-league contests already under its belt, Post 435 faces a 60-league doubleheader at home on GCHS North diamond at 12:30 p.m. Sunday with Cape Girardeau, Mo.

Post 113, with Jack Scarborough and John Modica assisting Coach Champion, has an 18-player roster headed by last year's leading hitter Paul Muschill, a student at SIUE.

Muschill, in 1975, collected 32 hits in 88 trips to the plate, scored 23 runs for the Legion squad. He also had the best batting average of .328.

Complementing Muschill at infield-outfield positions are GCHS South graduates John Krovick and John Pritchard, along with Tom Henrich, who this season led the Warriors in batting with .436.

Other team members include South's Jim Cedar, Keith Champion, Mike Clark, Joe

Parents, Jeff Scarborough, Randy Smith, Dan Stanton and Edmon Ward.

Headed by the pitching staff is SIUE student Kirk Champion, who last year as a Legionnaire had a 3-1 record and an earned run mark of 1.14.

In 37 innings on the mound, Champion allowed 16 hits and 11 runs while fanning 41 batters. He collected 15 hits in 45 times at bat for a .333 batting average.

Scheduled on the mound also are Randy Lyle, who with the South Warriors this season won five games, and Paul Evans, John Lakin, Jim Goodyear and Tony Stajchar, the latter with an ERA of .062.

Glen Carbon's strength this season depends on five veteran players and promising newcomers.

The team will be built around pitchers Bill Dickinson and Dave Davis, outfielders Harvey Beckner and Ed Schmidt and second baseman Richard Schmidt.

Richard Schmidt, of GCHS North, voted his team's most valuable player. Schmidt holds two school records in baseball — career batting average of .346 and 26 runs batted in. He batted .319 for the Steelers this year.

Additions to the squad are Joe Gushak, who led Madison High School in hitting this spring, at shortstop Brian Sikes, a first baseman and catcher, who scored 23 runs for the Legion squad this year, third baseman Steve McCutney who hit over .300 for last year's Venice-Madison Legion team, and

Other members of Post 435's team are Jeff Hamilton, Chris Page, Doug Rains, Matt McCullough, Jody Faioli, Mike Davis and Madison's Pete Pecurka and Nick Wargin.

Pecurka and Wargin are pitchers. Hamilton, Page and Rains also will see some action on the mound.

Thomas in home contests, Mercer nine at E. Alton

Illinois Inter-City Baseball League competition enters its fifth week of competition Sunday with Granite City's Mercer nine looking for its eighth and ninth straight wins in a doubleheader at 1:30 p.m. against Fairfax Alton's Vantage Park.

Granite City's Thomas team, in its first year of league competition, hosts its third doubleheader Sunday with Highland-Pierson at Wilson Park's diamond one.

Another 1:30 doubleheader on tap Sunday pits the Vans against Panama at Panama.

Wendell Corey, manager of the league-leading Mercer squad, cites the bed bats of his players, combined with effective team defense, for the team's winning streak.

Dennis Harrington leads the hitters with a .500 batting average, collecting 13 hits and two home runs in 26 trips to the plate. Bob Scott has garnered four homers and has a .444 batting average. Bob Peterson

has 428 and Jim Greenwald 400.

Pat Harris heads the pitching staff with three wins against no losses. John Scott has a 3-1 record and Vic Renzack is 1-0.

League standings show Mercer with a 7-1 record, Vans and Fairfax tied for second at 5-3, Panama 4-4, Highland-Pierson 3-5 and Thomas 0-6.

GRANITE CITY STOCK CAR DRIVERS in action this week. They have dominated sportman class auto racing on the quarter-mile dirt oval at Tri-City Speedway Saturday night programs, and the same cars and drivers compete on a second track of the Gateway Auto Racing Association each Sunday at St. Charles, Mo. Three of the past five feature race winners at St. Charles have been Granite Cityans. The local drivers

also have won every main event at Tri-City since the season opened April 17. Leading three Granite City drivers through the corners in this picture are Dan McCall (91) of St. Louis and Greg McCall (behind 91) of East St. Louis. Paul McGinn (555) is third, Dean Aerne (32) is fourth and Les Gibson (87) is running fifth.

(Rocky Rhodes Photo)

GC race drivers riding high

Granite City stock car drivers will attempt to continue their domination of Tri-City Speedway's racing program Saturday, when the green flag drops to start the first heat race at 7:30 p.m.

Dean Aerne captured the local track's opening night main event. After two rain dates and feature wins by Gary Barker and Don Altaro, Aerne returned to the winners' circle last weekend. Ironically, when Barker won while driving Aerne's race car.

Brothers Jack and Larry Yates, both of Granite City, are strong contenders for the season track title, here and at St. Charles, Mo.

Competitors here on Saturdays complete each Sunday at St. Charles Speedway as part of the Gateway Auto Racing Association's two-track circuit.

Larry and Jack Yates placed fourth and fifth, respectively, during the weekend here in the main event won by Aerne, and then the two showed their prowess by taking first and second positions in a sportman feature race Sunday at St.

Charles, Jack winning and Larry following him across the finish line.

In late model stock car competition here, defending title Russ Wallace of Arnold, Mo., has won the last two main events in his division and seeks victory number three Saturday.

Wallace faces tough competition this year from Kevin Gundaker of St. Louis, a third-year driver, who last Saturday won a heat race, the handicap event, the semi-main event, and threatened to take the feature race checkered flag from Wallace until a dirty windfield blurred his vision, forcing him to slow down.

Other late model feature race winners thus far have been C.C. Corbin of East Alton and Don Carter of Hillsboro. Carter has not campaigned here since capturing the main event opening night.

One of the more improved drivers this season is Granite City's Bill Laycock.

Laycock experienced considerable amounts of mechanical difficulties last year but has now kept his race

car together and turned in respectable performances.

Laycock finished third Saturday in the handicap race and third in a heat race.

Tri-City Promoter Ed Bloom has announced that the first of a series of four special super-quick racing programs will be held Wednesday, June 2, beginning at 7 p.m. with time trials.

Top-notch drivers from throughout the Midwest are expected to compete, including Bobby Jones of Danville, Ill., Chuck Arnall of Freeman Spur, Ill., Larry Kirkpatrick of Wood River, Sammy Swindell of Tennessee and Ricky Hood of Arkansas.

Here last weekend, Wallace dashed into the lead at the drop of the green flag in the late model feature race, and was never headed although Gundaker all but glued his race car to the winner's rear bumper.

Gittensier finished third, Knox fourth and Mike Hammerle and Bob Bissell, both of St. Charles, fifth and sixth.

Granite City sportman pilots swept the top finishing positions in the first heat race, interrupted only by St. Louisian Kris Krohn's third place at the finish. Les Gibson won the event, Alfaro was second, Jack Yates fourth and Larry Yates fifth.

Roy Waugh and Steve Kraus, both of Granite City, finished first and second in a second heat event.

Aerne started the main event at the rear of the 19-car field and worked his way through the pack to edge Mike Wallace of Arnold, Mo., at the finish line.

Krohn was third.

Madison third in big Carbondale track meet

Coach Charles Steptoe's Trojan track team tuned up for tomorrow and Saturday's Illinois High School Association boys' Class A finals at Eastern Illinois University, Charleston, with a third-place finish Monday evening in a 14-school "meet of champions" hosted by Carbondale High.

The sixth annual Carbondale meet, divided into Class A and Class AA competition, pitted state qualifiers from Southern Illinois district meets held during the weekend—plus any unit or athlete who placed first or second in multiple-school meets during the season—against each other.

Meridian High of Mounds took Class A team honors with 31 points. Sparta had 21, Madison 20, Waterloo 12, Cairo seven, Cartersville and Metropolis six each, Flora five, Chester four and a half, Pickneyville half a point.

Falling to earn points were Red Bud, McLeanboro, DuQuoin and Anna-Jonesboro.

Madison's 880-yard freshman relay squad of James Heard, Sylvester Collins, Earnest Davenport and Marcus White won that event with a time of 1:36.4.

White and Davenport joined Dwight Chillers and Von Dee Walker at Saturday's Carrollton district to qualify for the state meet with a time of 1:33.4 in the 880.

Walker placed second at district in the 100 dash with a time of 10.5 seconds to become statebound, but at Carbondale he was fourth in 10.4 seconds.

Walker also took runnersup

honors at Carbondale in the 220 dash in 23.4 seconds.

Davenport ran the 440 in 52.1 seconds for third place Monday, and Mike Terrell, who qualified for state in 330 low hurdles in 39.8 seconds, had to settle for fourth in the 330 at Carbondale with a time of 41.2 seconds.

Madison's statebound 440 relay unit of White, Chillers, Davenport and Walker was fifth Monday in 45.8 seconds, failing to better their district meet winning time of 44.9 seconds.

Steptoe notes that times posted during the season by two Madison relay squads and Mike Terrell are among the best in the state.

Terrell's season-best time of 39.7 seconds in the 330 is rated third statewide. The 440 relay squad of White, Chillers, Davenport and Walker is fourth best with a time of 45 seconds, and the 880 relay team,

Feature Gitcho on TV Saturday

Granite City's 1976 Montreal Olympic-bound wrestler Jan Gitcho will be among athletes featured Saturday at 5 p.m. on KDNL-TV Channel 59's weekly program, "The Champions".

The program will include films of the World Cup Games held at Toledo, Ohio, earlier this year, with Gitcho squaring off against a Canadian matman enroute to winning the 125-pound title.

Spirited competition in grade school field day

A field day for grades 1-4, held at McKinley School, led to awarding of ribbons to first, second and third-place students.

Girls' results were as follows:
 First Grade:
 35 yd. dash—Norma Price, Lisa White.
 50 yd. dash—Cheri Lind, Tina Hollis, Katie Duniphan.

Relay—Shannon Cain, Janet Trawick, Carrie Hall, Norma Price, Tina Hollis, Lisa White, Tammi Lemons, Katie Duniphan, Kathleen Brown, Cheri Lind, Sue Jones, Michelle Belovich.

High jump—Janet Trawick, Kathleen Brown.
 Accuracy throw—Norma Price, Linda Barton, Carrie Wirtz, Tammi Lemons.
 Baseball throw—Janet Trawick, Tina Hollis, Katie Brown.

Long jump—Renee Jones, Shannon Cain, Katie Duniphan.
 Shuttle run—Shannon Cain,

Carrie Wirtz, Linda Barton.

Second Grade:
 35 yd. dash—Michelle Freeman, Elizabeth Stoklosa, Pam Goudy.

Relay—Janice Neoporandy, Nina Brock, Teresa Warnhoff, Carrie Nagy, Janet Carroll, Laura Ingraham, Pam Goudy, Kathy Stephens, Tamara Dunbar, Cindy Womack, Michelle Freeman, Elizabeth Stoklosa.

High jump—Michelle Freeman, Tina Baggerman, Laura Ingraham.
 Baseball throw—Carrie Nagy, Michelle Neal, Pam Goudy.

Long jump—Tina Baggerman, Teresa Warnhoff, Corrina O'Dell, Janice Neoporandy.
 Shuttle run—Janice Neoporandy, Carrie Nagy, Teresa Warnhoff.

3rd Grade:
 Relay—Lisa Pulley, Audrey Kinder, Jesse Warren, Dawn Stoklosa, Tina Barunica, Sonya Belovich, Jeanette Forehand, Esther Cargill, Denise Pirie, Tanya Trout, Cathy Patrick, Vanessa Wallace.

High jump—Cathy Patrick, Esther Cargill, Vanessa Wallace.
 Accuracy throw—Audrey Kinder, Jesse Warren, Jeanette Forehand.

Softball throw—Kim Grimm, Tina Barunica, Jeanette Forehand.
 Long jump—Candy Martin, Denise Pirie, Kim Grimm.

Shuttle run—Tina Barunica, Ester Cargill, Cathy Patrick.
 4th Grade:
 35 yd. dash—Lisa Westbrook, Barbara Harrison.

50 yd. dash—Dottie Smith, Michelle Seybart, Tina Talbert, Relay—Lisa Adams, Lisa Westbrook, Jodi Spanberger, Carrie Ritter, Karen Thomason, Rhonda O'Dell, Vicki McKinney, Paula Duniphan.

High jump—John Ashlock, Billy Sturgeon, David Forehand.
 Accuracy throw—Teddie Stoklosa, Barry McKinney, Ron Smith, Cliffon Gassett, Eric Smith, Alan Wasson.

Baseball throw—Billy Sturgeon, Timmy Singleton, Richey Wilson.
 Long jump—John Anderson, Richey Baggerman, Richey Hurcoy.

Shuttle run—Raymond Johnson, Alan Wasson, Richey Wilson.
 Second Grade:
 35 yd. dash—Harold Pulley, Don Costello, Randy Maykopet, Timmy Angle, Chris Landreth.

Relay—David Patrick, Stacey Gassett, Paul Blason, Harold Pulley, Darin Bos, Ron Dunbar, Don Costello, Randy Maykopet, Timmy Angle, Kevin Kohenskey, Ricky Thomason, Mike Garri.

High jump—David Patrick, Ricky Maykopet, Donald

Richardson.

Accuracy throw—Stacey Gassett, Tim Gibson.

Baseball throw—David Patrick, Timmy Angle, Kevin Kohenskey.
 Shuttle run—Darin Bos, Paul Blason, Ron Dunbar.

Third Grade:
 35 yd. dash—Patrick Hurcoy, Tim Moran, Mike Grizzard.
 50 yd. dash—Tim Brown, John Dickerson, Mike Jones.

Relay—Joe Dent, Patrick Hurcoy, Donnie Baxter, Mike Grizzard, John Dickerson, Mike Jones, Jerry Lakin, Darin Richardson, John Tackett, Jimmy Ellis, Ricky Sutton, Darrell Jones.

High jump—Tim Brown, Mike Grizzard, Darin Richardson.
 Softball throw—John Tackett, Jerry Lakin, Jimmie Ellis, Jimmie Cargill.

Long jump—Patrick Hurcoy, Darrell Jones, Mike Jones, John Tackett.
 Shuttle run—Joe Dent, Mike Ortiz, Donnie Mizell.

Fourth Grade:
 50 yd. dash—Patrick Ramsey, Ron Dallas, Tim Mizell.
 Relay—Ron Dallas, Eric Smith, Cliffon Gassett, Richard Agers, Lewis Tarti, Darin Clements, Gary Sellers, Kevin Dickerson, Kevin Thompson, Tim Welch, Scott Foote, Tim Mizell.

High jump—Darin Clements, Richard Agers, Lewis Tarti.
 Accuracy throw—Kevin Dickerson, Gary Earhart, Eric Smith, Ricky Stephens.

Softball throw—Ricky Stephens, Cliffon Gassett, Eric Smith.
 Long jump—Cliffon Gassett, Charles Pickens, Kevin Dickerson.

Sixth grade students and Miss Darlene Wenner, physical education teacher, directed and worked at the various events.

Bloom favored in AA track, Lebanon could win A crown

Never in their 10-year history of the Illinois High School Association (IHSA) boys' state track meet has one team been as highly-favored to gain the team title as Chicago's Bloom (Bloom) to take Class AA honors this weekend on the lightning fast Tartan track of O'Brien Field on the campus of Eastern Illinois University, Charleston.

Competition in the two-class, two-day affair gets under way Friday at 9 a.m. in both running and field events, where qualifying times and heights will be conducted in 16 of the 17 events. The two-mile run is to be contested as finals only on Saturday.

Individual champions in both Class A (small school) and Class AA (big school) competition will be decided Saturday.

Field event finals will begin at 2 p.m. Saturday. The final running event (final) is scheduled for 12:15.

Tickets for each day will be on sale at the O'Brien Field ticket windows one hour before the start of the competition each day and are priced at \$2.

Departing Bloom Coach Steve Miller, who will end his prep coaching career this weekend, may need a computer to keep track of his entrants, including 15 individuals and all four relay teams.

Defending Class AA champion East St. Louis (Sr.) qualified eight individuals and four relays. Other likely contenders are Glen Ellyn (Glenbrook West) with seven individuals and four relays, Rockford (East) with five individuals and two relays and Maywood (Proviso East) with five individuals—one is odds-on favorite Greg Foster, who could shatter the existing national records—and one relay.

Bloom will be gunning for the school's fifth title in the 32-meet history of the series. The Trojans last took team honors in 1959 under Coach Ralph Staben. The all-time record for total team points scored in the meet is 48 by the 1919 Oak Park team. Six times in the history of the series, team champions have scored 40 points or more.

Ranked as all-time point total leading scores are: 48 by Oak Park in 1919; 46 by Oak Park in 1904; 42 by Chicago (Univ.) in 1914; 42 by Peoria (I.S.) in 1930; 41 by Oak Park in 1930 and 41 by Winnetka (New Trier) in 1944, the last time a team champion scored in the forties.

The most number of points scored by a Bloom team was 39 in 1967, when the Trojans took the title by nearly 19 points. In Class A, defending team champion Hinsdale Central (Kaneland) qualified nine in-

dividuals and two relays, including eight individuals in the field events only.

Lebanon qualified nine individuals and one relay; Paxton served individuals and two relays; Sullivan Valley seven individuals and one relay; Mounds (Meridian) five individuals and three relays; and Granville (Putnam County) five individuals and two relays.

Schools with enrollments of 750 or less compete in Class A. This year, there are 697 competitors from 203 schools scheduled to compete at Charleston.

Schools with enrollments of 751 or more vie for Class AA. There are 915 competitors from 214 schools scheduled to compete for big school honors.

Six Class AA defending individual champions return this year. They are: Rod Cracker of Shawnee (York) in the two-mile with the leading district qualifying time of 8:59.1; Greg Foster of Maywood (Proviso East) in the 120-yard high hurdles with a district leading time of 1:34.4 and in the 30-yard low hurdles with a district leading 37.1 mark.

Steve Schellenberger of Arlington Heights (Forest View) in the 800-yard run with the eighth-best district time, Bruce Wolfe of Wheaton (North) in the discus with the third-best district mark of 167.3, and triple jumper Alvin Perryman of Danville with a fourth-best district mark of 47.7.

Bloom's mini-army includes: the fifth-best 440-yard relay team consisting of George Carter, Tony Horton, Jeff Rose and James Patton; trojans 6, Dale Maxwell Realty 4 (WP Terry Brake, Triples by Ed Kostecki, Gary Schmitz).

Men's 2A League Pete and Mary's 14, Long Branch 6 (WP Mike Murphey, Jeff Lushman two triples), Trojans 6, Dale Maxwell Realty 4 (WP Terry Brake, Triples by Ed Kostecki, Gary Schmitz).

Women's 2A League Houser Auto Parts 17, Fish and Chips 14 (WP Mike Scarborough, Mark Pashea doubled).

Men's 7A League Croftan Home 17, Midtown Pharmacy 1 (WP Rich Asperger, HR's Frank Paul, Gary Bathon).

Razors Edge 11, The Has Beens 9 (WP John Reliske, Double hits by Larry Shipley, Nick Thompson, Dan Trotta).

Sammy's 18, Graciosa's 13 (WP Ed Milton, Doubles by Larry Lilly, Jim Childers, Dan Bixler, Triples by Dan Bixler, John Winfield, Jerry Sedabers).

Three individuals who won five Class A titles last spring return this year. They are sprinter Steve Saffranick of Granville (Putnam County) in the long jump with the district leading mark of 23-2 1/2, and in the 220-yard dash with a

district leading 22-9; Mark Claypool of Maple Park (Kaneland) in the triple jump with a district leading mark of 46-2 1/2, and in the 440-yard dash with a district leading time of 48.0; and Reo Rorsom of Gilman in the mile with a district leading mark of 4:38.3.

Rein also posted the leading two-mile run time of 9:09.4, some 31 seconds ahead of the next-best performer, Greg Hogg of Lebanon.

Madison High School will be represented in the state Class A meet by Marcus White, Dwight Chiller, Earnest Davenport and Von Des Walker, 440 and 880 relays; Walker, 100-yard dash; and Mike Terrell, 320 low hurdles.

GCHS North state track and field qualifiers are Dale Page and Greg Landys, pole vault; Mike Baker, two-mile run; Fred Clay, 220 dash; and David Kowalski, 120 high hurdles.

GCHS North state contenders are Frank Holmes, 880 run, Joe Ward, 440, and Doug Hartman, both the discus throw and shot put.

GCHS North state contenders are Frank Holmes, 880 run, Joe Ward, 440, and Doug Hartman, both the discus throw and shot put.

Central's Red Devils, who won the Elmhurst (York) district, advanced singles player Ted Staren, who teamed with Alan Piolet to win doubles last spring and is the younger brother of last year's singles champion, Ed Staren. Eric Umstead also advanced, as did the doubles tandem of Randy Druz-Alan Piolet and Rich Gamboa-Spider Lockhart.

Eighty-five singles players and 89 doubles teams will compete for state honors in those categories, as well as in the chase for team honors. Competition gets underway today at 4 p.m. with activity in both singles and doubles. On Friday, competition will continue through the quarterfinal round.

Semifinals are set for Saturday at 10 a.m. and the finals in both singles and doubles are at 1 p.m. on the courts to the west of Arlington Heights (Arlington), Homewood-Flossmoor, Lake Forest and Winnetka (New Trier East).

Schools advancing teams to the state final tournament are Roselle (Lake Park), Arlington Hts. (Arlington), Belleville (West), Bloomington (H.S.), Mascoutah, Crystal Lake, Brookport-John Horn of Alton, Lebanon's John Wright-Leight Reynolds claimed the district doubles championship, winning 6-4, 6-4 over Alton in a semifinal match and winning 7-6, 6-2 over Edwardsville in the finals.

Alton's David Lopez took singles on honors, defeating Ron Dickerson of Collinsville 7-5, 6-3 and then Edwardsville's Dan Leitner 7-5, 5-7, 6-2. Competing also in doubles were Ron Backs-Tom Baker (GCHS South), who won 6-1, 6-0 and then lost 2-6, 5-6; Rodney Wortham-Mike Sherman (South), who won 6-2, 7-5 and lost 6-4, 4-6; William Garrett-Wally Rajewski (MHS), who lost 1-6, 2-6; and Patrick Winston-Ron Jones (MHS), who won 5-7, 7-6, 7-6 and lost 1-6, 0-6. In singles, Larry Miller (North) lost 3-6, 6-1, 4-6, Dave Holden (North) lost 6-7, 1-6, Andy Hall (South) lost 4-6, 1-6 and Kevin Worster (South) won 6-2, 6-1 and lost 3-6, 4-6.

In doubles, Larry Miller (North) lost 3-6, 6-1, 4-6, Dave Holden (North) lost 6-7, 1-6, Andy Hall (South) lost 4-6, 1-6 and Kevin Worster (South) won 6-2, 6-1 and lost 3-6, 4-6.

Alton won the GCHS South tennis district meet during the weekend, South was third, GCHS North ninth and Madison tenth. No local schools will advance to the state meet.

Warriors Tim Frost and Mike Papes drew a first-round bye and then won 6-1, 6-3 over Roxana and 6-1, 6-2 over Wood River to advance into semifinal action.

The Warrior pair lost 5-7, 7-5, 6-4 to Tim Hillmer-Tom Brishan of Edwardsville and then took third place in the district with a 7-6, 6-5 victory over Brad Brookport-John Horn of Alton.

Lebanon's John Wright-Leight Reynolds claimed the district doubles championship, winning 6-4, 6-4 over Alton in a semifinal match and winning 7-6, 6-2 over Edwardsville in the finals.

Alton's David Lopez took singles on honors, defeating Ron Dickerson of Collinsville 7-5, 6-3 and then Edwardsville's Dan Leitner 7-5, 5-7, 6-2. Competing also in doubles were Ron Backs-Tom Baker (GCHS South), who won 6-1, 6-0 and then lost 2-6, 5-6; Rodney Wortham-Mike Sherman (South), who won 6-2, 7-5 and lost 6-4, 4-6; William Garrett-Wally Rajewski (MHS), who lost 1-6, 2-6; and Patrick Winston-Ron Jones (MHS), who won 5-7, 7-6, 7-6 and lost 1-6, 0-6. In singles, Larry Miller (North) lost 3-6, 6-1, 4-6, Dave Holden (North) lost 6-7, 1-6, Andy Hall (South) lost 4-6, 1-6 and Kevin Worster (South) won 6-2, 6-1 and lost 3-6, 4-6.

In doubles, Larry Miller (North) lost 3-6, 6-1, 4-6, Dave Holden (North) lost 6-7, 1-6, Andy Hall (South) lost 4-6, 1-6 and Kevin Worster (South) won 6-2, 6-1 and lost 3-6, 4-6.

Alton won the GCHS South tennis district meet during the weekend, South was third, GCHS North ninth and Madison tenth. No local schools will advance to the state meet.

WEBELOS SCOUT AND DAD CAMPOREE. The Granite City Army Installation hosted 137 Quad-City Webelos Scouts and fathers during the weekend for a campout. Members of Cub Pack 24, sponsored by the Russell Johnson School PTA, gather around "Akela," symbolic leader of all Cub Scouts. Kneeling from left to right are Howard Lynch, Jim Howard, Robert Turnbough, Marty Pulley, John Hergert and Tom Gunn. Standing from the left are Eddie Glass, "Akela" (Pat Alexander) and Colin Davis.

Park pool opens Saturday

Wilson Park pool is filled with sparkling water and ready for swimming, starting at 1 p.m. Saturday. Harold Brown, Granite City superintendent of parks and recreation, announced today.

Admission charges remain the same as last year.

Residents with park district identification cards will pay \$1 (adults) and 50 cents (children). Non-residents and

those without IDs will be charged \$1.50 (adults) and \$1 (children).

Season passes are available to holders of park district ID cards, costing \$15 (adults), \$10 (children) and \$25 (family).

Several repairs and renovations were necessary prior to this season's opening, Brown said. Some were needed to conform to new state health licensing requirements.

Public pools are required to renew their licenses each year, and privately-operated pools now are faced with the same regulations, he said.

Some aspects of the filtering system were corrected at the Wilson Park pool, and a booster pump unit was revised. Other work involved the recycling system in the wading pool and extensive reworking.

The most serious problem—a leak in the bottom of the pool, discovered last fall—was repaired this spring.

Water samples from the pool must be submitted every 10 days to the state agency which analyzes the samples and reports back what corrections, if any, must be made to bring the pool contents up to standard.

Brown said the Granite City Park District has received word that renewal of its license is pending. State health inspectors will visit the pool after operations are under way prior to issuance of the license.

Pool hours will be 1 p.m. to 8 p.m. daily, starting Saturday. Swimming instruction will begin for boys the week of June 14 and for girls the week of July 5.

Registration for all swim classes must be made in person at the pool office between 2 p.m. and 6 p.m. weekdays, Brown said.

Park ID cards tonight at rink

Granite City Park District will issue identification cards to residents from 7 to 9 o'clock at the Wilson Park ice rink.

Those applying for ID cards must live within Granite City. Park District boundaries and produce proof of residency, such as a receipted utility bill.

The plasticized cards—with the bearer's photograph, taken at the time of issuance—cost 75 cents each.

The IDs entitle the holder to take part in park district events at reduced rates, including use of the park swimming pool. An ID card now is required to reserve a park district tennis court.

QUICKSILVER AND NEW RIDERS CONCERT FRIDAY

New Riders of the Purple Sage and Quicksilver Messenger Service will open the outdoor concert season at Southern Illinois University at Edwardsville at 8 p.m. Friday.

Buzz Butler, research assistant for student government at SIUE, said the concert will mark the start of SIUE's eighth year in the outdoor performing arts facility at the campus.

Both rock groups are based in San Francisco. Tickets are \$6 and \$5 for reserved seats and \$4 for general admission lawn seating.

Permit for temporary Colonial Bank facility

A permit to construct a \$21,000 temporary facility for the Colonial Bank of Granite City at 2400 Pontoon Road, was among 43 building permits with values totaling \$89,990 issued by Granite City during the first half of May, a tabulation this week showed.

The bank permit was issued to First Granite City National Bank, which is organizing the new bank. The temporary facility now under construction will be replaced in the future with a permanent bank building.

Other permits included six for additions with values totaling \$10,300, three for garages or carports costing \$3,800, 19 to remodel and repair structures at a cost of \$41,475, one for a mobile home valued at \$3,500, and 13 for miscellaneous projects costing \$9,620.

Information coordinator considered

On the recommendation of the Citizens' Community Relations Committee of Madison County, the Madison Board of Education has taken under advisement the hiring of an information service coordinator.

The recommendation was made on the committee's behalf by the Rev. Mike Smith of the First Methodist Church of Madison, chairman of the group, at a school board meeting Tuesday evening.

Purpose of the position would be to establish better public relations between the community, the school system and parents; serve as a resource person, write on a regular basis, a general information newsletter to parents and other interested people, and handle press information.

Superintendent of Schools John Palchick reported that Monday will be the last day of school. It was pointed out that Monday is not a legal holiday according to the calendar from the state education office in Springfield.

Memorial Day is actually on Sunday, despite the general observance May 31 this year, it was ruled. Going to school Monday will make up for a day missed in February due to excessive ice on streets.

A general discussion of personnel was held, and will continue. Supt. Palchick said that, at this time, no teachers are expected to be laid off for the 1976-77 school year.

Raymond F. Gross, East Alton; and Anna M. Gross, Granite City.

Larry A. Guss, Stevenson, Ala.; and Anita M. Wilson, Granite City.

Gary M. Webster, Granite City; and Evelyn D. Brzustas, Madison.

Jerome A. Heumann, East St. Louis; and Sherri D. Brewer, Granite City.

Gregg Mastrolanni, Flemington, N.J.; and Cynthia Parasagman, Granite City.

Dennis L. Price, Madison; and Teresa J. Cox, Granite City.

1-day delay in trash pickups
Trash and garbage pickups throughout Granite City will be one day later than normal all of next week due to the Memorial Day holiday Monday.

An official of Miami Corp. East, which is under contract with Granite City for garbage and trash collection, explained there will be no garbage or trash pickups on Monday and all pickup routes will be delayed by one day.

The schedule will conclude with pickups on Saturday, serving those homes normally serviced on Friday. The normal pickup schedule will resume June 7.

\$2,817 RING TAKEN
A ring containing four diamonds and three sapphires, valued at \$2,817, was stolen from the kitchen shelf at the home of Kathy Hartman, 3010 Madison Ave., the victim reported Monday. She said keys lost three weeks ago may have been used to unlock a door.

TROOP COMPLETES YEAR

The Granite City Troop completed its activities for the year. The Granite City Troop completed its activities for the year. The Granite City Troop completed its activities for the year.

TRADITIONAL CEREMONY Flower-pinning ceremonies are among spring highlights this year at the Missouri Military Academy, Mexico, Mo. Participating is Cadet Frank Draganich, son of Mr. and Mrs. Frank J. Draganich, 2713 Grand Ave., who receives a red carnation from his mother.

Nameoki students win prizes

Nameoki School held its final skating party for students last week and awarded various prizes to pupils in each grade level during the event.

First winners in the event were Fran Kingston and Judy Joyce awarded the gifts, including a soccer ball, basketball, whistle ball and bat, soft ball and bat, records, games, jewelry, stuffed animals and other toys.

Miss Edwards is shower honoree

A miscellaneous bridal shower was given this week for Miss Cynthia Edwards at the First Assembly of God Church. Mrs. James Dresch was the hostess.

The guest of honor will be married June 12 to Clark Johnston of Alton.

Pink daisies and mock orange blossoms, set in greenery, encircled a bride doll on the refreshment table. A white lace parasol centered the gift table.

Guests attending included the honoree's mother, Mrs. C. H. Edwards, the groom-elect's mother, Mrs. Charles Johnston, and Misses Laura Edwards, Jill Edwards, Medaimes C. C. Edwards, Willard Valentine, Ray Cook, Don Pary, Howard Boyd, Opal Lutz, Olyn Phillips, William Harris, John Pithers, Lola Brummer, David Erther and Diane Brewer.

Third and fourth students winners were Jackie Brown, Jamie Nolan, Pam Svoboda, Jason Parfery, Maria Quade, Eddie Thomas, Scott Jones, Kim Park, Doug Limbough, David Painter, Jill Wertha and Rachel Cozman.

Fifth and sixth graders earning gifts were Connie Haiman, Jill Koenig, Diane Kwiatkowski, Karen Bronnauer, Jane Kraus, Eric Maass, Daria Smith, Sherrie Elwy, Scott Heathley, Sherrie Hartline and Mark Foley.

GC REPUBLICAN WOMEN DISCUSS PARADE ENTRY

Members of the Granite City Republican Women's Club met last week at the East Side Levee Board office, 1707 Madison Ave., to discuss the final entry they will sponsor in the Bicentennial parade, set July 3 in Granite City.

Mrs. Jane Reese, president, appointed a committee to prepare the parade entry. She also announced the club will meet next June 8.

NEW PRESIDENT. Mrs. Judy Padgett of the Downtown Neighborhood Restoration Society, receives a gavel from the retiring president, Jack French, at the group's last meeting of the season at the Tri-Cities Area YMCA. Others elected and installed were: Gail Hug, vice-president; Sheila MacLaughlin, French, Walter Padgett and Stan Yureck, directors; Gene Gunderson, treasurer; Carl J. Kittel, historian; and Lois Gunderson, secretary.

Checkerboard Squares perform

The Checkerboard Squares and Tadpole Squares of Granite City, with the Belleville branch of the Checkerboard Squares, provided entertainment at the first annual picnic of Granite City Society of Crippled Children held in Wilson Park this week.

The Checkerboards' entertainment was performed in the Wilson Park ice rink. Immediately following the performance, Checkerboard members removed their shoes and stockings to dance barefoot in the grass and earn their "Grasshopper" badge. Two staff callers, Steve Dohal and Ken Buford, also called barefoot and earned their "Barefoot Caller" badge.

Checkerboard and Tadpole Squares participating were: Ken Smith, Debbie Miller, Lori Derossett, Sherrie Marcum, Brenda, Marina, Bea, and Sylvia Gott, Karen Rogers, Tami Wall, Candy Wall, Susie Mainridge, Gail Roberson, Sheila Wilkins.

Lisa Dohal, John Rogers, Crissie Evanoff, Terri Holgrave, Barb Le Vay, Kathy Knight, Robin Fanning, Michelle McCallister, Betty Beck, Tracey Jones, Dawn Langford, Cherie Harrison, Elmer Meyer, Vincent Dohal, Alan Lewis, Glenn Tipton, Mark Harrison, Mark Shoemaker, Anthony Evanoff, Mark Mainridge, Frank White, Frankie Bristol, Ronnie Hastings, Jim Foster, Bobbie Fanning, Donald Marcum, Ray Jones, Bryan Dohal, Gean Barker, Mrs. Emma Boyd (Checkerboard's Grandma), and Bob Boyd.

The two dancing groups also performed at Johnson School last week at a Bicentennial program. They danced several numbers, ranging from Boogie Five Bump to the Vienna Waltz, with beginners and advanced square dancers participating.

A pantomime, entitled "Ahab the Arab," was given by Donald Marcum, Kim Smith, Sherrie Marcum and Bobby Fanning. Those participating were Cookie White, Brenda Gott, Robin and Bobby Fanning, Ray Barker, Debbie Miller, Lori Derossett, Tara Converse, Terri Holgrave, Elmer Meyer, Shane Kline and staff callers Kenny Buford and Jim Foster.

Girl Scout awards ceremony

Cadet Girl Scout Troop 25 served as hosts at a Girl Scout awards ceremony held last week at St. Margaret Mary School.

In observance of the Bicentennial, all decorations and refreshments followed a "Spirit of '76" motif.

The Challenge of Social Dependability was awarded to six members of Troop 25, Tracy Lambert, Karen Reed, Rhonda Reish, Janet Scannell, Terry Schuler and Coleen Steel.

Proficiency badges were received by Linda Forrest, Tracy Lambert, Pam Reedy, Janet Scannell and Coleen Steel.

Cadet Cocksades were presented to Theresa Gwardak, Frohardt Troop 218, led by Mrs. Joyce Tossant; Ellen Range,

Benjamin Reese to attend Georgetown.

Benjamin B. Reese, eldest son of Mr. and Mrs. John W. Reese, will graduate this week from Port Smith Abbey School, Port Smith, R. I.

A National Merit scholar, the Reese youth served as editor of the school newspaper and played football and hockey on the Port Smith teams.

He is planning to attend Georgetown University in Washington, D.C., this fall.

Reese is the grandson of Mrs. Walter A. Reese of Granite City.

Nameoki budgets adopted, continue Parkview appeal

After transferring \$1,000 within the federal revenue sharing account to fund a Supreme Court battle on drainage in the Parkview Estates area, the Nameoki Township Board of Auditors Monday night approved town fund, general assistance, municipal retirement and revenue-sharing budgets totaling \$336,796.

The transfer was necessitated when the Town Board was notified the township's highway department had lost an appellate court fight while appealing a ruling blocking drainage improvements in the Parkview Estates area.

The auditors agreed the issue should be further appealed to the Illinois Supreme Court and that funds should be budgeted for that purpose.

Township Attorney H. Carl Runge told the auditors there is an 800 filing fee to bring a case before the Supreme Court, but that other costs would be minimal, since the court acts only upon the written records of the previous court tests.

He estimated \$1,000 would cover the filing fee and related costs necessary to have the issue tested in the Supreme Court.

The board transferred \$1,000 from the revenue sharing health

appropriation, using the \$1,000 to create a new category for Parkview Estates drainage legal fees. The transfer reduced the health programs appropriation from \$20,000 to \$19,000.

The Parkview Estates issue first emerged when the township began draining part of the subdivision, moving the water to the east and through culverts under the Alton & Southern Railroad tracks onto farm fields east of the tracks.

The farmers won a temporary injunction prohibiting the township or highway department from draining any water onto their lands.

Later they won a permanent injunction which prohibited drainage improvements in that area and ordered that road elevations be changed to correspond with the original drainage in that area.

The auditors referred to the order as "ordering water to flow uphill," and requested Highway Commissioner Albert Bell to appeal the circuit court decision.

Bell's Attorney, Nick D. Vastleff, filed the appeal and argued the case. The effort was unsuccessful in having the order reversed.

The appeal to the Supreme Court was requested unanimously by the auditors as

Supervisor Louis Whiteall noted, "Too many people are involved here not to appeal it." The \$1,000 transfer within the revenue sharing budget left its total unchanged from the \$27,350 total posted publicly 30

days earlier. That total includes \$8,500 to help establish a new Nameoki (Miracle Manor) area police unit to aid the Madison County Sheriff's Department in Nameoki precincts three, five and 11.

Under the plan, about six volunteers have been certified as supervisors of safety under Sheriff John Maerz and are to patrol those three precincts in a squad car purchased under the grant from the township. At a public hearing on the

township budgets before Monday night's board meeting, four residents spoke against granting funds to that auxiliary department while five others spoke in favor of its establishment and funding.

Whiteall noted the \$8,500 is a "one-shot" grant to enable the department to get established, after which it is expected to be supported through donations and fund-raising activities. Also in the revenue sharing budget is \$2,000 for continued support of an established

auxiliary police unit in State Park Place. Other appropriations are \$30,000 for the environmental cleanup program, \$19,000 for health programs, \$4,500 for administrative salaries, \$350 for audit, \$1,000 to aid the State Park Street Lighting District and \$500 for expenditures necessary to support the work of Manpower employees.

Full implementation of all programs in the revenue sharing budget will be contingent on the program being continued by the federal

government. This year's budget reflects reduced revenue sharing; \$31,450 less has been appropriated than last year's \$68,800 budget.

Other budgets passed by the auditors without changes from the documents posted for public display included a \$167,976 town fund budget, up \$33,274 from the \$134,702 in the last budget; \$89,440 in the general assistance fund, up \$380 from the \$89,060 last year, and \$12,000 for municipal retirement, up \$3,500 from last year's \$8,500 budget.

The town fund 1976-77 budget includes \$159,901 for administration, up \$49,499 from \$110,402 last year; \$175 for election costs, not in last year's budget; and \$7,900 for contingencies, up \$2,600 from year's \$5,300.

General assistance appropriations in the new budget include \$25,340 for administration, up \$3,550 from \$21,790 last year; \$40,000 for home relief, up \$500 from \$39,500; \$15,500 for institutional care (same), with no contingencies (\$4,000 last year).

Environmental pickups resume

The Nameoki Township Highway Department has resumed its regular pickups of trash and tree limbs throughout the township under an environmental cleanup program funded by federal revenue sharing.

Trash pickups will be conducted in the first half of the month, with limb pickups in the last half. Special pickups of large items can be arranged by contacting the township office. The schedule of trash pickups for the first week of each month, by precincts is Monday, Pct. 5; Tuesday, Pct. 3; Wednesday, Pct. 11; Thursday, Pct. 8, and Friday, Pct. 7.

The trash pickup schedule for the second week of each month is Monday, Pct. 4; Tuesday, Pct. 9; Wednesday, Pct. 2; Thursday, Pct. 10; and Friday, Precincts 1 and 6.

Limb and brush pickups will begin the third week of each month on the following schedule: Monday, Pct. 5; Tuesday, Pct. 3; Wednesday, Pct. 11; Thursday, Pct. 6, and Friday, Pct. 7.

The fourth week of the month will be devoted to limb and brush pickups Monday, Pct. 4; Tuesday, Pct. 9; Wednesday, Pct. 2; Thursday, Pct. 10; and Friday, Precincts 1 and 6.

Citizen band radio group enrolls 10

Two new members were enrolled in the Granite City CBERTs (Citizen Band Emergency Radio Team) at a meeting this week at the Granite City Civil Defense Center, 1411 Nineteenth St.

Newcomers to the group are Mr. and Mrs. Harold Pruitt, Mr. and Mrs. David Keel, Rodger Pace, Earl French, Emmett Clemens, Raymond Allen, William E. Skinner and William Barnhart.

Success of the spring dance was reported and plans were advanced for a barbecue and three-day campout at Smithboro, Ill., June 18-20.

Also reviewed were committee reports concerning the CBERT's annual coffee break event, scheduled Oct. 17, when members of similar

organizations are entertained. Thirty-two members attended the planning session. The group is affiliated with the Granite City Civil Defense and carries out civic services within the surrounding area, working with law enforcement officers.

The next formal meeting will be Aug. 22.

CAR HITS POST
Walter Bursey, 34, of 1221 Logan St., suffered a neck injury when his car struck a utility pole early this week and he was treated at St. Elizabeth Hospital. X-rays were taken and he was released.

1926 graduates reunited, hear former GCHS faculty member

Members of the January and June classes of Granite City High School came from all over the nation during the weekend to celebrate the fiftieth anniversary of their graduation. The event was held in the Nimian Edwards room of the

Holiday Inn at Sunset Hill. Guest speaker was a former member of the Granite High School faculty, Dr. William H. Holst of Washington, D.C. Dr. Holst, now a chemical consultant with offices in Arlington, Va., told how he

helped develop the methods of "mothballing" equipment for shipment overseas during World War II. The process also was used to preserve entire fleets at the end of the war. Other former faculty members at the reunion were

Miss Mary Blackburn, Miss Mary Luther and Mr. and Mrs. P. D. Martin. The evening was spent in reminiscing following a short formal program which included singing of the alma mater "Granite High" song, with Mrs.

Jewell Hand Everett at the piano. Waldo Frohardt played several songs on his steel saw. Mary voiced surprise at the tone and harmony he was able to produce. Mrs. Georgia Erwin White sang several solos. Roy Graham served as master-of-ceremonies. A memorial service was held for the members of the June and January classes who are deceased. During the evening, awards

were presented to class members as follows: Traveled the greatest distance to the reunion: Marion Thomas Warren of Placerville, Calif.; most children: Gladys Moreland Burgess, 14 (Mrs. Helen Coby Merz was second with 13). Youngest class member: Judge Fred P. Schuman. Oldest member attending: Wilmer Meng of Fullerton, Calif. An award for the most great-

grandchildren went to Mrs. Herbert Thurnau, Marvina Barnes accompanied by his daughter, Luann, Mr. and Mrs. Roy K. Graham, Judge and Mrs. Fred P. Schuman, Mrs. Jewell Hand Everett and Mr. and Mrs. Waldo Frohardt. January 1926 class members attending were: Dr. and Mrs. Edward Thompson of Champaign, Ill.; Mr. and Mrs. Roy Homer, Granite City; Wilmer Meng of Fullerton, Calif.; Mr. and Mrs. William Charbonnier of St. Louis; and Mrs. Gladys Moreland Burgess, Mr. and Mrs. James Parker and Mr. and Mrs. C. W. Strunk of Granite City.

Mr. and Mrs. Hilbert Fletcher of Denver, Colo.; Mr. and Mrs. Wayne Holt of St. Louis. Class members of the June class—Miss Mary Hopkins, Miss Virginia Segar, Mr. and

'Music Under Stars' rehearsals will start

The "Music Under the Stars" summer choral program, sponsored by the Granite City Park District, will begin this season's rehearsals Thursday, June 3. Mrs. Mary Ann Bright, Granite City High School South's choral director, will direct the program for the third year. The "Music Under the Stars" chorus is open to all ages. Rehearsals for elementary school children through 8th grade are held on Monday and Thursday from 1 p.m. to 2 p.m. in the South vocal room, beginning June 3. Rehearsals for high school students and adults are held Monday and Thursday evenings from 7 to 9 o'clock in the South vocal room, also beginning June 3.

Attendance at all rehearsals is not required and people may join at any time during the summer. Mrs. Bright said. Auditions are not held and everyone is welcome, she added.

The choruses will present four concerts this summer. Solists, small ensembles, and the choruses will perform all types of music, including show tunes, popular numbers, Bicentennial songs and nostalgia selections.

The summer chorus is a good opportunity to get together with other people who just like to sing and enjoy doing it regardless of age, Mrs. Bright said. Further information may be obtained by calling the director at 876-2010.

Madison library book depository

The Venice Town Board of Auditors has approved purchasing a mailbox-type depository for persons returning books to the Madison Public Library.

The unit, expected to cost more than \$600, will accept dropoffs from autos at the curb and from persons on the sidewalk, Supervisor Christ Paschoff has reported. Funds will be from the township's federal revenue sharing grant. The town board also granted approval and expenses of \$60 apiece for those wishing to attend last Tuesday's Southern Division meeting of the Township Officials of Illinois in Nashville, Ill.

Crash hurts 3

Three persons were injured when the cars of Edward Woods, 4815 Wabash Ave., and Ernest Robinson, 52, of 3141 Davis Ave., collided at Nameeki Road and Clark Avenue Monday.

Robinson suffered minor injuries which did not require hospital treatment. Two sisters in Woods' auto were injured and were taken by ambulance to St. Elizabeth Hospital. Miss Barbara Sue Smith, 18, of 3811 Pontoon Road, was admitted with a head injury and Miss Betty Lou Smith, 16, of the same address, was treated for a bump to her head and was released.

Car hits bank

William E. and Dorothy Wisdom, 2209 Wilson Ave., were injured when their auto went out of control and struck the front of the Granite City Trust and Savings Bank, 1909 Edison Ave., Monday.

Mrs. Wisdom reported her husband was driving when they turned left from 19th Street onto Edison and the auto went out of control. It crossed the street and struck the front of the bank. A large window at the bank and a small section of the wall were damaged.

Wisdom, 46, was charged with careless driving. He was taken by ambulance to St. Elizabeth Hospital, where he was admitted with a cut to the forehead and a broken right leg bone. A series of x-rays was taken.

Mrs. Wisdom later went to the hospital, where she was treated for a cut to her right forehead and an injury to her left ankle. X-rays were taken and she was released.

INJURES HEAD IN CRASH
John Early, 18, of 1304 Kirkpatrick Homes, was treated early this week at St. Elizabeth Hospital after bumping his forehead during an auto accident. X-rays were taken and he was released.

Warren-Warmack nuptials at Nameoki Methodist

Miss Jody L. Warmack, a daughter of Mr. and Mrs. Leo J. St. 2804 Buxton Ave., and James L. Warren, son of Mr. and Mrs. James Warren, 2706 Marshall Ave., were united in marriage May 1 at the Nameoki Methodist Church.

Candlelight illuminated the sanctuary for the double ring ceremony performed at 6 p.m. by the Rev. Roy Baugh, pastor of Niedringhaus United Methodist Church.

For her wedding, the bride chose a full-length gown in A-line style with long sleeves. Lace accented the bodice and sleeves, and ruffles edged the V-neckline and encircled the semi-full skirt.

Scalloped lace bordered her cathedral veil of illusion and she held a bouquet of mist green carnations, white roses and baby's breath.

Maid of honor Miss Jo Ann Warren, a sister of the groom, and the bridesmaid, Miss Susan Hall, wore identical pale green gowns fashioned with ruffles at the side and around the hemline of the skirt.

Shower capes complemented the short sleeve dresses, made with V-necklines. Each attendant held long stem white roses and green baby's breath.

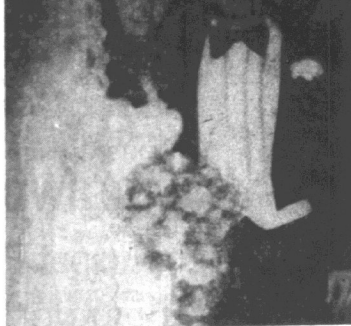

Lane Slaton, the flower girl and a niece of the bride, was dressed in a white lace hoop frock crowned with a square neckline and puff sleeves. She carried a basket of green and white blossoms.

The groom chose Dave Roiland as his best man, Jerry Warren, the groom's brother, and Harold and Donnie Schaefer, cousins of the groom, completed the corps of groomsmen and ushers.

A reception was held at the Granite City Moose Hall after the service. The rehearsal dinner was hosted by the groom's parents in their home.

Both young people graduated from Granite City High School South. The bride is an employee of AAA Credit Service, Inc., and the groom works at Granite City Steel.

They are residing in Granite City.

MR. AND MRS. JAMES L. WARREN, who were married at the Nameoki United Methodist Church. The bride is the former Miss Jody L. Warmack, a daughter of Mr. and Mrs. Leo St. 2804 Buxton Ave.

Golden Agers remember friends

Mrs. Ruby Corbett, president of the Golden Age Circle Club, opened the business and birthday meeting Tuesday with prayer and pledge to the flag. The meeting was held at the Kirkpatrick Recreation Hall.

A memorial service was conducted by Mrs. Eva Durham for the deceased members of 1975. They were Edna Parsons, Julian Graf, Clara Reus, Ivan Reed, Julia McLean, William Eckhardt, Anna Eastley, Daisy Worthen, Verma Wilkott, Jack Traylor, Harry Robert, Oliver Talley, Frank Prater, Edwin Steingeyer and Ira Medcalf.

Reports were given by Peggy Gubbers, Lurline Durbin and Caroline Lust, Sunshine chairman, who reported sending get well cards to Michael Kadarian, Ellen Christy, Ruby Harrison, Emma Gobbie and

Eula Myers. A birthday card was sent to Mary Breckinridge who is in a nursing home.

Final plans were made for the June party, a catered dinner at 12 noon, June 8. Reservations are required by June 3.

Several members reported plans to attend yesterday's Senior Citizens Fair at the St. Louis Arena, at which the local seniors sponsored a booth.

Members celebrating birthdays in May included May Findley, Clara Stein, Nellie Hillmer, Arthur Lindner and Clara Ledbetter.

Games were played for entertainment and those winning prizes were Arthur Rankin, Arthur Lindner, Peggy Jones, Viola Lindner, Frances Westbrock, Carrie Hart and Clara Ledbetter.

COMPLETES COURSE IN INTERIOR DECORATING

Mary Yeager, Granite City, has received a diploma from LaSalle Extension University, Chicago, following successful completion of a course in interior decorating. She resides at 2948 Myrtle Ave., with her husband, George.

The couple has six children, Sue Yeager Mayer, 21, Karen Yeager Hamilton, 19, Alice, 18, George, 16, David, 14 and Angela, 13. LaSalle Extension University is a correspondence training station around the world since 1908. Two million men and women have enrolled in LaSalle's academic, vocational and avocational programs.

Birthday party for Tonya Geske

Tonya Geske celebrated her sixth birthday during the weekend at a party given by her parents, Mr. and Mrs. Mike Geske, 3012 Edgewood Ave. Games were directed by the hosts, who awarded prizes to each guest.

Yellow and orange decorations in a Holly Hobbie theme were used in the table appointments.

Cake, ice cream, candy and soft drinks were served by Mr. and Mrs. Geske to Shelley Wachter, Jamie and Jennifer Moniz, Dawn and Marianne Finn, Michelle Burlington, Ami Brooks, Kathy Charter, Lisa Mitchell, D'Na Hankins and Vickie Schaefer. Assisting were the honoree's brother, Mike Geske and Donald Gilbert.

Stallings PTA installs

The installation of PTA officers who will serve for the 1976-77 school year at Stallings School was held last week, with Arthur Memendez, Mitchell School principal, serving as the installing officer.

New officers are Mrs. Judy Kopchak, president; Mrs. Jane Simpson, vice-president; Mrs. Audrey Ribbing, first vice-president; Edward Ribbing, second vice-president; Mrs. Beth Bladdick, secretary; and Mrs. Wilma Bowen, treasurer.

Opening the session were first and second grade students, who sang the "Star Spangled Banner," followed by the pledge to the flag given in unison.

The vice-president, Mrs. Wilma Bowen, presided and Mrs. Maude Bates, secretary, gave a report.

Room mother chairman Mrs. Kopchak presented corages to committee chairmen and room mothers in appreciation of their work during the school year.

Those honored were Mrs. Dorothy Baker who will be installed as president of Granite City Area PTA Council at 7:30 tonight during a meeting at Washington School.

Mrs. Phyllis Curran, District 29 director, will serve as the installing officer.

Others to serve for the 1976-77 school year are: Mrs. Barbara Haddock, vice-president; Mrs. Dorothy Phelps, recording secretary; Mrs. Julie Gates, corresponding secretary; and Mrs. Pearl Madison, treasurer.

The retiring president, Mrs. Phelps, said delegates who attended Illinois PTA state convention in Chicago, May 12-15, included Pat Painter, Nameoki School; Olivia Parrish, Wilson; Mrs. Phelps, Lake; Dorothy Bailey and Pat Howard, Johnson; and Julie Gates and Barbara Haddock, area council representatives.

PTA Council to install

Mrs. Dorothy Baker will be installed as president of Granite City Area PTA Council at 7:30 tonight during a meeting at Washington School.

Mrs. Phyllis Curran, District 29 director, will serve as the installing officer.

Others to serve for the 1976-77 school year are: Mrs. Barbara Haddock, vice-president; Mrs. Dorothy Phelps, recording secretary; Mrs. Julie Gates, corresponding secretary; and Mrs. Pearl Madison, treasurer.

PEO state convention events

The 74th annual state convention of the PEO Sisterhood, held last weekend in Chicago, was the subject of a program by Mrs. Richard Kerch, delegate to the session, at a meeting Monday afternoon of the PEO.

Mrs. Kerch reported the convention's Bicentennial theme was "Rich, Rich, Rich" and was on two current projects of the group—continuing education, which provides

Bridal Shower for Miss Sudholt

Miss Geryl Sudholt, a July bride-to-be, was complimented at a pre-wedding shower this week at the Granite City Elk's Lodge.

Hostesses were Mrs. June Sudholt, Mrs. Helen Lorden and Mrs. Elvera Walck.

The bride-elect is a daughter of Mr. and Mrs. Raymond Sudholt, 1748 Primrose Ave. She will be married July 24 at St. Elizabeth Catholic Church to Glenn Williams, a son of Mr. and Mrs. James Williams, 129 Riviera Drive.

Among the guests at the party were Mesdames Carla Griffin, Barbara Lapinski, Ann Schall, Howard Henry, Mary Sudholt, Cleo Schenke, Loretta Coleman, Betty Williams, Rosalie Jenkins, Mary Jo Hein, Nancy Rosales, Bernice Nolen, Jacqueline Haug and Theresa Sudholt.

Misses Anna Harlan, Mary Ellen Sudholt, Pat Roderick, Connie Hein, Lynn Walck, Beth Hein, Kathy Lorden, Stephanie Johnson, Kris Lorden, Jackie Sudholt and Jill Sudholt.

Mrs. Rapp is honored

A surprise 81st birthday party was given for Mrs. Catherine Rapp of Mission, Kan., formerly of Granite City, by her granddaughter, Patty Drew, and daughter, Mrs. June Drew, of Clayton.

Those attending were Mrs. Margaret Epping, Mrs. Sophia Bauer, Mrs. Annie Bucher and Mr. and Mrs. Wayne Melloy, all of Granite City, Mr. and Mrs. Gary Melloy of Edwardsville, Billy Drew of Champaign and Tony Oren of St. Louis.

Women's Aglow meeting June 3

The Granite City Chapter of Women's Aglow, an interdenominational fellowship, will hold its next meeting Thursday, June 3, at Long Lake Fireman's Hall, 4113 Pontoon Road.

Coffee and donuts will be served at 9 a.m., followed by the meeting from 9:30 to 11:30 a.m. A nursery will be available, an officer said.

Mrs. Carrie Smith, this year's counseling coordinator for the St. Louis Chapter of Women's Aglow, will be the featured speaker.

For more information, those interested may call 831-2443, according to the group's secretary, Mrs. Ray Parham.

Recovering from open heart surgery

William Barton, 54, of 2628 Sudbury Ave., is recuperating at Jewish Hospital, St. Louis, from open heart surgery which he underwent Monday.

Although still a patient in the Intensive Care Unit, Barton is considered in satisfactory condition by his physician, a family spokesman said. He is expected to remain hospitalized a further two weeks.

Barton has been in ill health since suffering a serious heart attack a year ago. He is employed at Granite City Steel, but has been unable to work the past 10 months. He is the son of Mr. and Mrs. E. M. Barton, 601 Kirkpatrick Homes.

Assist Multiple Sclerosis fund

The Elite Hairdressers Affiliate 33 met at Rostout Restaurant, Collinsville, for the May dinner meeting.

Brenda Cant, president, presented Kenneth Koucky of the St. Louis Chapter of the National Multiple Sclerosis Society, with a donation from the proceeds of the National Beauty Salon Week hair show.

Sheila Morgan, chairman of the 1976 show to be held Oct. 10, discussed plans and appointed committees.

An educational program was presented by Michael Hopke and Mary Schiller. They demonstrated with models Ginger Munoz and Evelyn Maltzer and the styles they used in passing the test for Style Body membership. The hair trend used was the wedge cut style.

Also attending were Diane Hirtley, Rosalie Jenkins, Judy Broshaw, Carol Law, Willene Gregory, Peggy Eubanks, George Kim, Edward Hood, Juanita Wiesmann and Joie Lemus.

Youth Fellowship elects officers

The Junior High Youth Fellowship met at St. John United Church of Christ and elected Scott Humphrey as president for the ensuing year.

Others elected at this week's meeting were: Susan Callbraith, vice-president; Laura Hermes, secretary; and Debra Buer, treasurer.

Arvel Taylor served as coordinator of the business session as plans were made for summer events of the group.

Final details for June and July will be completed at a special meeting within the next two weeks.

Adult sponsors also attending were Mr. and Mrs. Robert Peach, Randy Peach, Miss Karen Schieb, Mr. and Mrs. Luke Wrischman, Mrs. Farance and the Rev. Dr. Paul R. Surbey.

BUTTERFLY CLUB FEELS MRS. HARRIET ROFF was honored on her birthday by members of the Butterfly Club at a meeting Tuesday night in the home of Mrs. Hazel Rollins, 4277 Reville Lane.

Pinschke games were played and those holding high scores and winning prizes were Mesdames Edith Ryan, Thelma Schmidt, Lorraine Melloy and Rose Willis.

The hostess served a dessert luncheon to those named and to Mrs. Nell Talley, Mrs. Mary Lou Claussen and Mrs. Katie Hommert.

Mrs. Schmidt will entertain the group in June.

Deadline Saturday for Madison County Fair queen candidates

Potential candidates for the title of Miss Madison County Fair 1978 now total 18 and fair officials are expecting entries from the Highland and Alton areas before Saturday's midnight deadline.

Resumes detailing educational background, hobbies, activities, address and telephone number, accompanied by a recent photograph, must be mailed and postmarked prior to the deadline to: Madison County Fair Pageant, P.O. Box 441, Granite City, Ill. 62040.

Granite City hopefuls lead the number of candidates with nine girls registered. Edwardsville area is second with five prospects and Collinsville, Godfrey, Troy and Bethalto have one candidate each.

Although resumes have not been received, Highland is expected to enter at least two young women and Alton three.

Resumes are being accepted from young women, 16 to 21 years of age, who are not married and are not professional models. Candidates must meet all requirements of the pageant, including not having reached the age of 22 years before Jan. 1, 1977.

A panel of judges will select the Madison County Fair queen on July 18, prior to the start of the 1978 county fair which begins July 28 at Highland.

Pageant night is expected to be one of the most festive events

in the county with WIL radio personality David Lee serving as master-of-ceremonies, following a buffet-style dinner. Immediately after the crowning of a first-ever county queen, dancing to the music of Bob Kuban's "Everyday People" Band will take place.

The girl chosen as Madison County Fair queen will receive a \$250 U.S. Savings Bond from Ponderosa Steak House Restaurants, sponsor of the event, reign over fair week and serve as hostess in August during a special day set aside for county queens at the Illinois State Fair.

The Madison County winner also will join an estimated 58 other queens the county in state to represent the county in January when the Illinois State County Fair Pageant is held in Springfield.

The state title-holder receives a \$1,000 scholarship to the school of her choice, and will reign over the 1977 Illinois State Fair in Springfield.

A pre-pagant dinner has been arranged for all potential candidates at Ponderosa Steak House, 1511 Johnson Road, Granite City, on Wednesday, June 9. During the dinner, pageant officials will outline each candidate's role in the pageant and announce a date for the first of three pre-pagant rehearsals.

Madison County Fair officials relate that talent competition will not be required, but that

evening gown modeling and one-piece swimsuit competition will be an important part of the activities.

Parkview PTA installs officers

Mrs. Agnes Fryntko, principal of Parkview School, served as installing officer for the newly elected PTA officers at last week's meeting at the school.

The 1978-79 corps of officers are: Mrs. Pat Bieniecki, president; Mrs. Karen Melton, secretary; and Mrs. Phyllis Talley, treasurer.

Mrs. Fryntko presented Mrs. Melton, the retiring president, with a past president's pin in appreciation of her year in office.

Entertainment for the evening was provided by the Maryville Chorus under the direction of Mrs. Mary Jane Fester, music teacher at Parkview and by first graders, led by teachers Miss Judy Riedelberger and Mrs. Evelyn Cross, who performed a play, "The Pied Piper of Hamelin."

Refreshments were served after the session by Mrs. Shirley Sobolewski, hospitality chairman. Monthly meetings will resume in September, it was announced.

MISS TAMMY PENCE, left, recipient of a Cultural Arts scholarship, accepts a check symbolizing the honor from Mrs. Dorothy Phelps, Granite City Area PTA Council president. Miss Pence, daughter of Mr. and Mrs. Jack Pence, 100 Central Ave., Mitchell, has been an active member of the vocal music department.

Armenian Youth convention here

The Armenian Youth Federation of America (AYF) will hold its third annual convention in Granite City, starting Friday and continuing through Monday.

Plans for convention activities have been made under the direction of Granite City AYF Antranig Chapter. The local non-profit organization is headed by Diane Parsaghan as

president. The weekend events include meetings, picnics and bowling. Climaxing the four-day gathering will be the convention ball, set Sunday at the Croatian Home in Madison. Music for dancing will be played by the Johnnies from Detroit, Mich.

The ball is open to the public. A donation of \$5 per person will be charged.

Gabriel Shrine fetes mothers

Gabriel Shrine 78, Order of the White Shrine of Jerusalem, honored mothers at its May meeting held at the Masonic Temple.

Worthy High Priestess Betty Girts and Worthy Watchman of Shepherds Lloyd Lewis presided and welcomed the 110 members and guests.

Presented with special gifts were the youngest mother and others who received individual tissue holders. Mrs. Mary Ellen Lewis made the gifts, assisted by Nancy and Debbie Trokey.

Mrs. Mary Bilbrey was installed as worthy guide by Junior past officers Frankie Hickey and James Olson, assisted by Worthy Herald Wanda Kincald.

Several members went to Detroit, Mich., to attend the 82nd grand session and also visited Canada, it was announced.

'The Judgment' at Bethesda Temple

"The Judgment," a new color motion picture, will be shown at 7:30 p.m. today at the Bethesda Temple, 22nd and State streets, it was announced today by the Rev. Charles Browning, pastor. The public is invited to view the 50-minute film. Admission is free.

A showing of the movie took place Monday evening at the Old Camp Meeting Tabernacle, 22nd Street and Bryan Avenue, the Rev. Jimmy Dunn, pastor, reported.

St. Joseph plans hot lunch

The Parents and Friends Club of St. Joseph School heard two representatives from the Landshere Sandwich Co. speak on a new hot lunch program to be initiated in the 1976-77 school year at its meeting last week.

During the social hour, officers and members were given samples of sandwiches to be featured on the student menu.

President Tony Boyer opened the meeting with prayer and announced a prize was won by Johnny B. Schock of Union, Mo.

He introduced the retiring officers and thanked each one for a successful year in office. They included Carl Kille, vice-president; Claire Mungovan, secretary; and Nora Lesko, treasurer.

Boyer presented the new corps of officers. Elected in March to assume their duties in September, were: Robert Strubberg, president; Tony Boyer, vice-president; Jean Branden, secretary; and Helen DeBanda, treasurer.

The club will reconvene on Sept. 23, it was announced.

Sewer

(Continued from Page 1)

payments or through billing based on water usage.

She hopes to obtain signatures by 51 per cent of the electors and 51 per cent of the property owners in Area One within 30 days of the hearing.

Petitions also are being circulated in Areas Two and Three to block construction of sewers.

Mrs. Andrews also hopes to obtain restraining orders.

Her contention is that local residents want sewers but not through property taxes.

Madison County Board members have said they believe most people want sanitary sewers. While they are willing to consider any other method if it is viable, they are convinced the present GO bond plan is the only one capable of being successfully carried out.

Stressing that they believe the 1976 plan is the final opportunity that unincorporated areas will have to obtain sanitary sewers, the officials warned that vast state and federal financial help will be lost if the petition drive succeeds.

While the final state deadline has not been reached, much remains to be done in scheduling bond and construction bid calls, opening, analysis and award.

In view of what remains to be done, the time schedule is tight. But alternatives would achieve only one thing—permanent blocking of affordable sewers—the officials assert.

\$1,000 HOME BURGLARY

At 7:30 p.m. Wednesday, Mrs. Flora Moser, of 1187 Lola, Mitchell, reported to the Madison County sheriff's department that the front door had been forced and her house ransacked. The intruder ripped open chairs and searched a deep freeze. Two television sets, a vacuum cleaner and an antique clock were among the items taken, with a total replacement value of \$1,600.

John Leemon, an Illinois Environmental Protection Agency environmental engineer frequently quoted by opponents of the sewer plan, said this week the grant is not limited only to go bond financing but added that an October deadline for the start of construction is fast approaching.

Leemon said delay to study alternatives must not be allowed to consume more than several weeks and that if residents block sewers now they undoubtedly would pay substantially more if there was a later sanitary sewer program.

Board Member Homer Boothman said yesterday he has offered to pay the sewer tax of an elderly State Park Place man if he would take his name off anti-sewer petitions, and that he might be willing to do the same for others in need.

SOMETHING TO SELL? TRY A PRESS-RECORD CLASSIFIED AD

BAPTIST CENTER DEDICATION. Formal dedication and an open house are held this week at the new Madison County Baptist Association building (background), located at 620 Engineer Road, Mitchell. Several hundred Southern Baptists from the 25 churches affiliated with the MCBA gathered at the 37-acre site for the dedication service, led by the Rev. Wendell Garrison, president of the Illinois Baptist Association and formerly pastor of Suburban Baptist Church, Granite City. The all-purpose

36,600-foot building of brick veneer cost \$31,000, contributed by area churches and individuals. It is divided into a reception office area, storage room, workroom, office for the director of missions and a multi-purpose room used for meetings, training and special activities. The Rev. Keith Stanford, in the foreground, MCBA director of missions, leads fellow Southern Baptists to a tree dedication ceremony also held this week.

RELIGIOUS ART. A collection of various works of religious art adorns the office of the Rev. Keith Stanford, left, director of missions for the Madison County Baptist Association. Rev. Stanford, the Rev. Wendell Garrison, center, president of the Illinois Baptist Association, and the Rev.

Paul Davis, right, discuss a scene of the crucifixion of Christ directly in front of Rev. Davis. It was painted by Ronald Ward, an art instructor at Coolidge Junior High School. The three pastors were among those who participated in dedication this week of the new MCBA building.

News notes

A fire at 4:30 p.m. Monday destroyed the Candlelite Restaurant, Glen Carbon.

Illinois Governor Daniel Walker yesterday endorsed former Georgia Gov. Jimmy Carter for the Democratic Presidential nomination.

Business in Illinois is being adversely affected by last year's changes in both unemployment compensation and workmen's compensation laws, Carl Baczenas, director of public relations for Granite City Steel, told the Illinois Commission for Economic Development in Collinsville Monday. He reported drastic increases in the cost to businesses from higher benefits in both programs.

Madison County Treasurer George Musso said Tuesday he intends to mail tax bills directly to each taxpayer in mid-August, bypassing township tax collectors. He said processing of tax bills by township collectors would add two weeks to the collection of taxes, which already will be about two months late. Township officials here have indicated they may oppose the plan.

James Thompson, Republican candidate for Illinois governor, sharply criticized Gov. Daniel Walker's spending policies this week and accused him of "breaking the state." He said Walker should either reduce spending or increase taxes if he wants to again run for governor in 1978. Thompson opposes Democrat Michael J. Howlett in the November election for governor.

Illinois State Sen. Sam Vadalabene (D-Edwardsville) has thwarted recent efforts by Gov. Daniel Walker to route \$19 million from taxes on horse racing from a fund for state civic centers into the state's general fund. A Senate bill earmarks money for civic centers, including one Madison County.

Holiday

(Continued from Page 1)

Delores Weis, president of American Legion Auxiliary Unit 113, also will place a wreath, accompanied by the Auxiliary color guard.

Annets Post 304 of Madison will conduct an annual Memorial Day service at 12 noon Sunday at the Madison Memorial Center, Seventh and Lee Streets.

Guests attending will be the Rev. Conrad Motola of St. Mary's Church, the Rev. Edwin E. Phillips of the Sacred Heart of Jesus Church, Mayor Mike Sanyk and others.

"The public is being invited to join in honoring comrades who, since the founding of the nation, have given their lives so that we today can live in freedom," Vasil Gravitte, commander, said.

A wreath ceremony by Bill Dask and "Taps" by Andy Frysztlan are planned.

The annual "parade of flags" sponsored by Disabled American Veterans Chapter 51 will be held at 9:30 a.m. Monday, May 31, Commander Andy Gilchrist has announced.

The parade will depart from the DAV Hall, 1417 Nineteenth St., proceed east on 19th to Grand Avenue and then go north on Grand to 11st Street, entering Memorial Park across from St. Elizabeth Hospital. Services will be held at the park at 10 a.m.

Participating in the DAV ceremony will be a Scott Air Force Base drill team and rifle squad, local Boy Scouts and Girl Scouts, Quad-City Navy Mothers Unit 850 and the American Legion Auxiliary Unit 113 color guard.

Continue battle to save cracked sewer

Granite City Street Department workers, armed with the latest type of equipment, have been waging a battle all week to try and save a damaged sanitary sewer in the 3200 of Fehling Road near Bradley Avenue, without the cost of dewatering to lower the water table and without excavating the sewer.

During the weekend, it was noticed that a section of ground several feet across was sinking along the edge of the sidewalk in that block.

Suspecting a sewer break, the crews began Monday to assess the situation, using the city's new television truck which allows a television camera to be introduced inside the sewer line, offering a picture of the situation to crews in the truck.

Because the sewer, which is about 15 feet deep, is below the surface level, water was said to continue to pour into the sewer through the crack, making it impossible for the television camera to clearly show whether the sewer is cracked or completely broken.

Street department crews set up bypass pumps and a line to route sewage from one manhole to the next, isolating the damaged section of sewer. The workers were successful in getting the TV camera through the damaged area to bypass pumps and a line to route sewage from one manhole to the next, isolating the damaged section of sewer.

In an attempt to try to stop

water and sand from entering the line at the cracked portion, the crew then sank rods around the sewer and pumped more than 300 gallons of grout around the damaged portion of the line. James Slack, assistant superintendent of streets, reported this morning that the grout around the outside of the sewer was successful in stopping sand and dirt bolting into the sewer, but some water is continuing to enter.

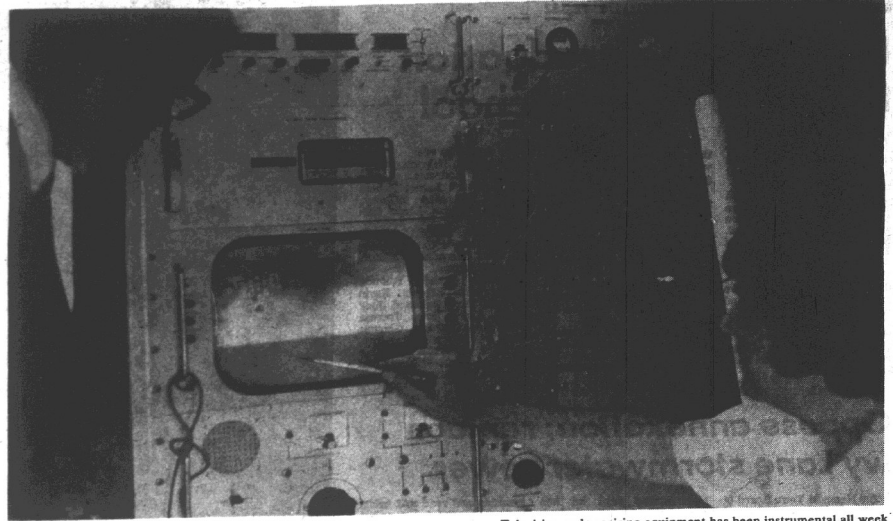

He said attempts will be made today to further seal the sewer from the outside, while attempts continue to grout the break from the inside, using the TV and grouting equipment.

A diaphragm pump was to be put in use today to pull the water out of the bottom of the damaged portion of the sewer as the television unit continues to try and determine the extent of the damage.

Grouting on the "upstream" end of the sewer up to the damaged area was completed yesterday and plans today were to grout the "downstream" end to the break or crack before attempting to grout the actual broken or damaged area.

Slack said he does not know if the street department will win the battle to repair the sewer without dewatering and excavating it, but commented, "We are pretty sure we can save it."

"We don't know for sure until later today when we can get a clear picture of exactly what we have here."

VIEWING INSIDE SEWER. Granite City Street Department Assistant Supt. James Slack studies the television picture this week from inside the sewer along Fehling Road near Bradley Avenue where the line has cracked. Slack here shows Fourth Ward Alderman Warren Decatur, left, the dark area at the bottom of the screen which shows water in the

sewer. Televising and repairing equipment has been instrumental all week in the city's attempt to repair the damaged sewer without excavating it and without costly dewatering to lower the water table below the break.

Intense air

(Continued from Page 1)

were Roosevelt Avenue and Rock Road, tied for 14th with 47 micrograms, 3000 Edison Ave., 16th with 46 micrograms and 2201 E. 23rd St., tied for 66th with 68 micrograms.

Sixth Ward Alderman Gerald "Jerry" Farmlay, said he believes Granite City ranks relatively high in particulates because the Illinois Environmental Protection Agency monitors this area far more intensely than other areas.

"We have more intensive monitoring in Granite City than any other city its size in Illinois," Farmlay contended. The EPA report shows seven air monitoring stations in Granite City as compared to three in East St. Louis, two in Alton and one each in Cahokia, Collinsville, Wood River, Edwardsville and Columbia. Many Illinois cities have no such stations.

The report listed the results of 122 suspended particulate measuring stations in the state. It also noted the sulfur dioxide measuring station at 2301 Adams St., showed the seventh highest level in the state.

Granite City was not among the 56 cities in which high levels of nitrogen dioxide were reported.

A comprehensive air purification program involving multi-million-dollar expenditures was signed February in an agreement between the Illinois EPA and Granite City.

The Quad-Cities received better-than-passing grades in most categories of air pollution. State statistics include particulate matter, sulfur dioxide, nitrogen dioxide, carbon monoxide, hydrocarbons and photochemical oxidants.

GET RESULTS**

Outdoor

(Continued from Page 1)

the gymnasium. If the event is to be moved indoors, it will be moved over the school's public address system before school is dismissed.

If the decision is made to keep the exercises outdoors and a storm arrives suddenly that evening, an announcement will be given to area stations at 6 p.m. tomorrow that the event has been postponed. If postponed Friday, South's commencement will begin at 1 p.m. Saturday, either at the football field or in the gymnasium, according to the weather.

Each graduating senior will be given five tickets during practice today which will admit those closest to him to the ceremony.

If the graduation is held outdoors, tickets will be required until 8 p.m., after which persons without tickets will be admitted.

16 recovering after surgery

Patients at St. Elizabeth Hospital who have undergone major surgery since Monday follow:

Bobby Scott, East St. Louis; Vince Petro, 2417 Iowa St.; Janet LeGrand, 2241 Dwight Drive; Patricia Ditz, 2478 Center St.; Loretta Odum, Camel Hill, Ill.; Orville Tribble, East Alton; Paula Perkins, Troy; David Beard, Edwardsville.

Barbara Phillips, Edwardsville; Thomas Ryan, 2311 Edison Ave.; Barbara Reid, 2017 Village Lane; Cynthia Perkins, 3008 Warren Ave.

Cecelia Kowalczyk, 1713 Edwardsville Road; Raymond Thornton, 1516 Fourth St.; Madison; Cecelia Cole, 1835 Sixth St.; Madison; and Edna Jones, Collinsville.

If the South graduation has to be moved indoors, the tickets will be required to gain admission.

GCMS North Principal Gilbert Walmaley will decide Saturday afternoon whether North's graduation should be held outdoors or should be moved inside. "If there is any question about the weather, we probably will move it inside, to be on the safe side," a North spokesman said.

No tickets are required for admission to North's graduation, whether it is held outdoors or in the gymnasium, due to the smaller number of graduates, the spokesman added.

South's graduation tomorrow evening will begin with the processional, with senior students marching in while the GCMS South band plays. Jennifer Powderly will sing the Star-Spangled Banner, followed by the Rev. Ellis Dugger of Trinity United Methodist Church offering the invocation.

Dumont will welcome the parents, relatives and friends of the graduates. Salutatorian Craig A. Seebolin will speak on "A New Look." He will be followed by bugler Steven Boston, Robert Miller and Tony Stajduhar playing "Bugler's Holiday."

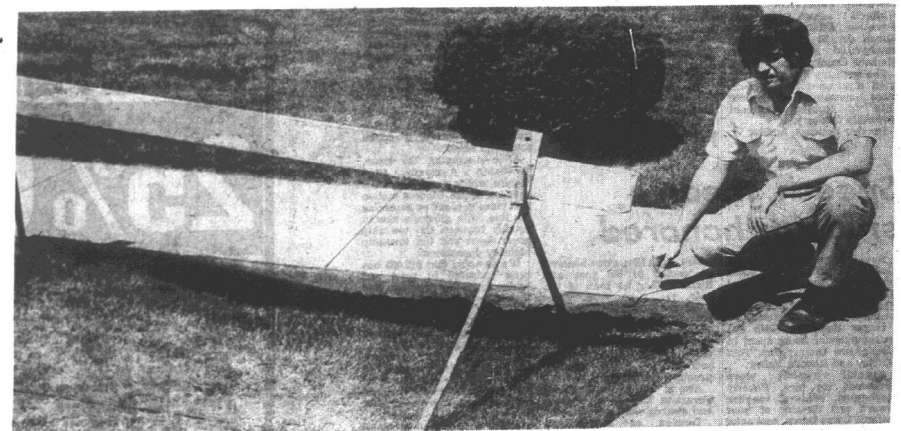

Joseph Jay Fedora, valedictorian, will speak on "The Search for Meaning."

The graduating class will be presented by Dumont to Schools B, J, Davis, who will speak and then present the class to Thomas Miosky, president of the Granite City Board of Education.

After Miosky's talk, the Rev. William Duval of Trinity Baptist Church, Texarkana, Ark., will give the benediction.

The high school band will play "Pomp and Circumstance" as the graduates leave. Terry Waffler will direct the band during the ceremony.

The GCMS North com-

SUNKEN GROUND beside the sidewalk in the 3200 block of Fehling Road, first indication that a sewer about 15 feet below had broken or cracked and that dirt was being pulled into the sewer line. Work started

Monday and has continued all week, attempting to patch the sewer line without excavating. James Stack, assistant street superintendent, here shows how the sinking ground has left the sidewalk unsupported.

Eighth grade graduation Friday at Venice School

Graduation exercises for eighth grade students of Venice Grade School will take place at 1 p.m. Friday.

The ceremony will open with group singing of "God Bless America" and the invocation will be given by the Rev. Howell Woodfolk, pastor of Trinity Church of God in Christ.

The eighth grade class, under the direction of Donald MacNeil, director of music, will sing two songs, "Graduation Day" and "Halls of Ivy."

Miss Shelly Soto will sing a solo, "The Way We Were." The class and Miss Soto will be accompanied by Miss Tami Broadhead.

Miss Sabrina White will give the salutatory address. The valedictory address will be given by Miss Lisa Foley.

Mrs. Anna McKinney, grade school principal, will present high class and introduce Superintendent of Schools Robert N. Vickers, who will present the diplomas. American Legion awards will be presented by the commander of Venice-Madison Post 307, The Rev. Edward Sinclair of Venice Methodist Church will give the benediction.

Refreshments for members of the graduating class and their parents will be served immediately after the ceremony in the gymnasium.

The graduates are: Lisa Foley, Sabrina White, Kenneth Andrews, Verla Austin, Cheryl Baker, Robert Bilbrey, Thomas Bilbrey, Dorothy Brandon, Linda Clifton.

Dee Ann Daniels, Donald Gardner, Luella Harris, Renee Merchant, Lawrence Milton, Veronica Odum, Victoria Parker, Rhonda Riggs, Kerry Roberts, Kevin Roberts, Janita Salmond, Judy Smith, Shelly Soto, Theresa Sulic, Rita Thornton, Thomas Voegelie, Delphine Wiley, Johanna Wilkinson, Elmira Williams, Lizzie Williams and Navarro Williams.

Oppose annexation; replace Ivy Lane stormwater sewer

The Nameoki Town Board of Auditors on Monday instructed its attorney to challenge recent annexation by Granite City of the Foreman Heights number two subdivision.

Contending the subdivision is not contiguous to the city as required by law, Nameoki Township Supervisor Louis Witsell asked Nameoki Township Attorney H. Carl Runge Jr. to challenge the newly-filed annexation in Madison County Circuit Court. The township has previously tried unsuccessfully to block other annexations by Granite City of former Nameoki Township territory.

In other business, Auditor W.

Lee Adams said he has requested a cost estimate from C. D. Peters Construction Co. of Granite City to clear and prepare a drainage ditch from the area of Angela Drive to a newly-constructed pump station and recommended annexation.

Township residents in the audience contended Adams already has received an estimate and said the township has been attempting to avoid the project by delaying it until after the budgets for the 1976-77 fiscal year have been passed. The budgets for township purposes were passed Monday night. Township officials assured the Press-Record that sufficient funds remain in the

township and road and bridge budgets to complete the project.

The board opened five bids for road repair materials and referred the bids to Highway Commissioner Albert Bell for study and recommendations prior to contracts being awarded.

Following the regular town board meeting, the township board of health was called into session to discuss an improperly functioning stormwater sewer on Ivy Lane which has been allowing the road to flood during most rainstorms.

Bell estimated the cost to replace the present faulty underground system would be \$20,000 to \$25,000.

After discussing the issue, Township Assessor Carl Macvie, who is a member of the board of health, made a motion that plans proceed on replacing the line, with all costs shared equally between the township government and the township highway department.

It was noted that \$15,000 has been budgeted in road and bridge funds for drainage and that several appropriations in township funds could be used to match that amount.

Bell was requested to hire an engineer to survey the Ivy Lane area and to prepare specifications for the work.

Bell said the work would be difficult for highway workers, and he said he had hired a contractor to do the work.

Auditor Norman Heasler reported that auditing of all of the township's books for the 1975-76 fiscal year should be completed next month.

Precinct Committee Joseph Garcia said speeders have caused a problem in the Miracle Manor area and one ally has been the scene of several speeding incidents.

He said several residents whose yards adjoin the alley installed their own "speed bumps" to slow speeders, but the highway department had the bumps removed Monday, said the township could share the responsibility for any damage to autos caused by the bumps.

Garcia requested stop signs and alley speed limit signs reminding motorists that state law sets the speed limit in alleys at 15 miles per hour.

One auditor said similar complaints could be remedied by the proposed new Miracle Manor area auxiliary police department, which would patrol problem streets and alleys and arrest those who violate laws.

Bills ordered paid by the board included \$4,200 from the town fund, \$1,853 from general assistance, \$651 from revenue sharing, \$1,851 from road and bridge funds and \$3,418 from the special hard road fund.

Others competing from the local chapter were Bob DeCourcy and Dennis Worthen. They were accompanied by Advisers Robert Hollenbeck and Charles A. Meyer.

Joseph Zimmerman, 11, of 2024 Willow Ave., was injured when his bicycle and a car collided at Leonard and Sunset Avenues at 8:20 a.m. Tuesday.

The driver of the car, Johanna M. Kacera, 2745 Sunset Ave., said she turned left from Sunset onto westbound Leonard as the bicycle was crossing the street. She said she did not see the boy until it was too late to avoid the accident.

The boy stopped on top of his bicycle at the curb, and police and an ambulance were called. He was taken to St. Elizabeth Hospital, where he was admitted for observation with abrasions to the right side of the face and forehead and injuries to the right leg and right elbow. A series of x-rays was taken.

Speech, theater students honored

Several members of the Granite City High School South chapter of the International Theatrical Society were honored at a speech and theater banquet at the Bill Burns cafeteria.

Honor thespians with 600 extracurricular hours spent in theater are Tammy Gay, Tom Shapley and Rhonda Veser.

Special awards were presented to Mrs. Beverly Scroggins, seniors' teacher award and director of year award, Larry Burns, best actor of the year in major role, Brian Beljanski, best actor of year in supporting role, Nancy Miller, best actress of the year in major role, Tami Terrell, best actress of the year in supporting role, Nancy Weil, debator of the year.

Brian Konzen, special debate award, Becky Varian, best individual event, Tammy Gay, best stagecraft student, George T. Wilkins III, best all-around speech and theater student.

Pat Law, Miss Campus Radio, Lori Winters, Miss Interpersonal, Diane Parsaghan, Illinois High School Association state speech participant, and Jane Matosian, best novice debater.

Mrs. Ruth Klaus was honored as teacher of the year and Richard King as man of the year.

Officers for the 1976-77 school year GCHS South Speech and Theater Club are: Lynn Diak, president, Jane Matosian, vice-president, Linda Veser, secretary, and Cheska Anselmo, treasurer.

Also at the dinner, National Forensics League certificates and awards were presented.

Degree of merit—Lisa Anselmo, Brian Beljanski, Katy Corti, Lynn Diak, Linda Painter, Lisa Rudolph, Lisa Stegemeier and Tami Terrell.

Degree of honor—Forest Crawford, Mel Pashen, Mike Knobloch, Jane Matosian, Dan Siebert, Frank Southwick, Jerry Tracy, Becky Varian, George T. Wilkins III, Leslie House, Nancy Milton and Larry Wyatt.

Degree of excellence and degree of distinction—Patrick House, Brian Konzen and Larry Wyatt.

Degree of distinction—Nancy Weil.

The awards received were for points compiled in debate and individual event competition.

DeMolays initiate two

Robert W. Cochran, son of Mr. and Mrs. William A. Cochran Jr., Granite City, and Michael W. Simpson, son of Mrs. Marsha Simpson, Madison, received their initiatory and DeMolay degrees at East Bay Camp, Hudson, Ill., during the weekend to become members of the James Stuart chapter, Order of DeMolay.

They were among 25 Illinois youths to become DeMolays at a state Bicentennial class during the Illinois DeMolay fellowship weekend Lewis and Clark Chapter, Cahokia, conferred the initiatory degree while the Charles Degenhart Chapter of Bloomington conferred DeMolay degrees.

The chapter's track team journeyed to Illinois State University, Bloomington-Normal, and placed fifth in the state DeMolay track meet Sunday afternoon.

Mark Doolittle, Nick Thorn-dyke, Bruce Grobong and Bill Skinner Jr. placed fifth in the 88-yard relay. Bruce Grobong, 4th and Bill Skinner, 5th in the 440-yard run. Jimmy Hays 5th in the mile, and Bill Skinner 6th in the high jump.

Others competing from the local chapter were Bob DeCourcy and Dennis Worthen. They were accompanied by Advisers Robert Hollenbeck and Charles A. Meyer.

Cancer memorial gifts

With Memorial Day approaching, the Madison County Unit of the American Cancer Society is placing special emphasis on its "living memorial" program. It was announced today by Jim Anderson, Madison County Crusade chairman.

"Making a contribution to the society's memorial fund is a fitting and practical way to help save the living and commemorate a loved one who has died of cancer or other cause," Anderson said.

"The funds of the American Cancer Society, including memorial gifts, go toward saving lives in the present and

many time more in the future through coordinated programs of education, research and service.

According to the society's Madison County Unit, memorial contributions are received during all months of the year. In the past eight months, gifts have totaled \$11,528.

The society sends a memorial card to the family of the person in whose memory the gift is made and also an acknowledgment and receipt to the donor.

Memorial contributions may be sent to the American Cancer Society, 528 Henry St., Alton, Ill. 62002.

GC SCHOOLS HONORED. Granite City Community School District No. 9 was honored Monday afternoon when Mrs. Marilyn Phillips (second from left), regional coordinator for the Illinois Bicentennial Commission, presented a certificate of appreciation to Frank L. Kraus, assistant superintendent of schools, for the district's promotion of the U.S. Bicentennial. From left to right are: Richard Chosich, coordinator of the

Granite City Bicentennial Commission; Mrs. Phillips; Assistant Supt. Kraus; and Alan Cridler, director of the schools' gifted program and the district's coordinator for the Bicentennial. The fifth grade class of Mrs. Evelyn Burnicki of Webster School designed and did the needlework on the Bicentennial quilt in the background, now displayed in the Board of Education conference room.

NOTICES 30
VENICE MADISON American Legion Post 307 will hold nomination of officers for the coming year on May 26, 1976, at the regular meeting at 8 p.m. The election will be on June 3, 1976 at 8 p.m. 30 63
I WILL not be responsible for debts contracted by anyone other than myself on or after this date: May 27, 1976. DAVID E. REAMES, 2807 Pershing Avenue, Granite City, Ill. 30 57
NOTICE OF HEARING on proposed zoning change.
Notice is hereby given to all parties concerned that a public hearing will hold a public hearing on the City Council Room in the City Hall of said City of Granite City, Illinois, at the hour of 1:15 P.M. on the 10th day of June, 1976, at which meeting it will consider a petition for the amendment of Ordinance 1755, (being the Zoning Ordinance of said City), as same affects the following-described real estate, to-wit: Granite Place Subdivision of Block 1 of Northeast corner of 35 ft. of Lot 4. Land owned by Studio. Said amendment would change the zoning classification of the real estate immediately adjacent to a Special Use District. This property is also known as 2444 Adams. Robert L. 30 57
I WILL not be responsible for debts contracted by anyone other than myself on or after this date: May 27, 1976. PHILLIP WITT, 178 Briarwood Drive, Granite City, Ill. 30 57
Card of Thanks 32
WE WISH to thank our kind friends and neighbors for their acts of love and sympathy and floral offerings during our recent loss. SUSAN SUMMERS. Special thanks to St. John Lutheran Church, Rev. Boda, Women's Guild, Davis Family Home, and pallbearers. JOHN SUMMERS and THE CUVAR FAMILY 30 57
In Memoriam 33
In loving memory of ROBERT G. THOMAS, May 1974. His smiling way and pleasant face will be missed. We are a pleasure to recall: He had a kindly word for each and every one. Some day we hope to meet him. Some day we know not when. To clasp his hand in the better world. Never to part again. Sadly missed by - WIFE and FAMILY 30 57

Public Notice 34
CLAIM NOTICE
STATE OF ILLINOIS, IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT, MADISON COUNTY, THE MATTER OF THE ESTATE OF CHARLES HENRY DAYTON, DECEASED.
No. 76-P-378
Notice is given of the death of the above.
Date letters were issued: May 25, 1976.
Administrator: Minnie Dayton, 3003 Kirkpatrick Homes, Granite City, Illinois.
Claims against the estate may be filed in the office of the Circuit Court, Probate Division, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate as created by will and cause, also, copies of claims must be mailed or delivered to the executor-administrator and to the attorney.
WILLARD V. PORTELL, Clerk of the Circuit Court, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate as created by will and cause, also, copies of claims must be mailed or delivered to the executor-administrator and to the attorney.
WILLARD V. PORTELL, Clerk of the Circuit Court, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate as created by will and cause, also, copies of claims must be mailed or delivered to the executor-administrator and to the attorney.

NOTES: (1) Cost of special events tickets, banquet and award dinners, and transportation purchased for resale to participants. Receipts from sale of these tickets included in recreation program receipts above. This is a self liquidating program resulting in no un reimbursed expenses to the Granite City Park District. Normally all taxes for a given fiscal year are received by the park district within that fiscal year.
(2) At this time approximately \$7,000.00 in taxes from the 1974 tax levy have been collected by the County Treasurer but not distributed to the Granite City Park District. Normally all taxes for a given fiscal year are received by the park district within that fiscal year.
(3) This item includes \$4,961.81 in taxes levied for the 1973-1974 fiscal year but which funds were not distributed from the County Treasurer's office until after the 1974-1975 fiscal year, and are included in the fiscal year of 1975-1976.

THURSDAY AND FRIDAY, MAY 28-29 '76 5 P.M.

Citizens across the country are creating the focal points for their nation's Bicentennial. "Flag tributes, prayer services, readings of the Declaration of Independence, bell ringing, candle lighting, dedications, parades and time capsule programs are the major activities being included in the July 4 weekend plans of communities across the country," according to John W. Warner, administrator of the American Revolution Bicentennial Administration (ARBA).

ARBA, in coordinating activities planned for the Bicentennial weekend July 3-5, has learned that most communities across the country are independently planning such events and activities which together provide expressions of nationwide unity and focal points of the 200th birthday celebration.

It has also learned that these unity activities have generally been planned on the same day and approximately at the same time in communities across the land.

Special community flag ceremonies are being held between sunrise and noon on July 3. Congress has established a 21-day period of honoring and paying special tribute to the nation's flag from Flag Day, June 14, through Independence Day.

A simultaneous ringing of bells throughout the nation is called for on the 4th as recommended by Congress. It will be keyed to symbolic ringing of the Independence Hall Tower Bell at 2 p.m. EDT (1 p.m. CDT) in Philadelphia.

The ARBA, in cooperation with local groups, suggests that planned candlelighting activities be commenced at dusk on July 4. Time capsule programs are being carried out at various times on July 4 and July 5.

"The ARBA is encouraged to learn that a great many communities are including tributes to the nation's ethnic-racial heritage throughout all three days of the Bicentennial weekend," Warner added. "It is our hope that all groups working on Bicentennial weekend events will include some or all of these activities in their community and neighborhood celebrations."

"All Americans are urged to show their nation's colors and the Bicentennial flag during the period," Warner said.

A consensus of communities sets the time on July 4 from sunrise to noon for periods of reflection, religious services and prayer focusing on the country's history, its freedoms and its future.

With a national reading of the Declaration of Independence program set for 10 to 11 a.m. EDT (9 to 10 central daylight time) on July 4 in Philadelphia at Independence Hall, communities are being encouraged to schedule their ceremonies from their through early afternoon.

A simultaneous ringing of bells throughout the nation is called for on the 4th as recommended by Congress. It will be keyed to symbolic ringing of the Independence Hall Tower Bell at 2 p.m. EDT (1 p.m. CDT) in Philadelphia.

The ARBA, in cooperation with local groups, suggests that planned candlelighting activities be commenced at dusk on July 4. Time capsule programs are being carried out at various times on July 4 and July 5.

"The ARBA is encouraged to learn that a great many communities are including tributes to the nation's ethnic-racial heritage throughout all three days of the Bicentennial weekend," Warner added.

"It is our hope that all groups working on Bicentennial weekend events will include some or all of these activities in their community and neighborhood celebrations."

PHARMACY FIRE

A faulty lighting ballast overheated and caused about \$50 damage to the Medicare Pharmacy, 1 American Village Shopping Center, during the weekend. Granite City firemen were on the scene 20 minutes.

KATHY MILKOVICH, a daughter of Mr. and Mrs. Leo Milkovich, 1425A Grand Ave., was among 54 students graduating from Lewis and Clark Area College School of Nursing, Godfrey. She has accepted a position at St. Elizabeth Hospital, here.

Garst to head East Industrial Relations Club

A new group of officers has been installed by the East Side Industrial Relations Club for 1976-77—the 34th year of operation of the club.

President is Stanley D. Garst (Granite City Steel), vice-president is Herb R. Roach (Baer Electric) and re-elected as secretary-treasurer is Dorothy Kelley (Olin Corporation).

The East Side Industrial Relations Club includes 75 members representing 21 companies in Madison and St. Clair Counties. Locations range from Alton on the north to Saugeen on the south and from East St. Louis on the west to Highland on the east.

Purpose of the club is to provide a forum for discussion and exchange of ideas related to personnel problems and industrial relations.

Classes for high school equivalency certificates

Nelson Hagauer, Madison County Board chairman, announced this week that the Adult Learning Program for High School Equivalency (ALPHE) will expand its program by opening a new class site at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue.

ALPHE will hold classes at Niedringhaus Church every Thursday, 4:30 p.m. to 7:30 p.m., beginning June 10.

The tuition-free program was made possible through funding in the Office of Manpower Development under the Comprehensive Employment and Training Act. Daniel Churich serves as director of the Manpower Office.

ALPHE will provide academic tutoring for adults preparing to take the General Education Development (GED) examination. The high school GED examination is a test designed to measure an individual's ability to do high school level work.

Upon passing the examination, the adult will be issued a high school equivalency certificate.

Classes conducted by certified teachers will be designed

to cover the GED testing areas—English, mathematics, social studies, literature and natural sciences. Individualized instruction for an unlimited time span in the five areas will enable the adults to have the background needed to pass the GED. Churich said.

Interested adults should go to Niedringhaus United Methodist Church on Thursday, June 10, or any Thursday thereafter.

Classes are presently under way at Namekivi United Presbyterian Church, 1700 Ponton Road, Wednesdays, noon to 3 p.m.; Venice Recreation Center on Wednesdays, 1 p.m. to 4 p.m., and Grace Baptist Church, 5600 Edwards St., Thursday, noon to 3 p.m. for anyone unable to attend at Niedringhaus Church.

Memorial program at Lake View

The Black Knight Drum and Bugle Corps, the Vibrations, gold star mothers, Catholic War Veterans rifle squad, an American Legion color guard and commanders and auxiliary presidents of numerous veterans' organizations will highlight the annual Memorial Day extravaganza at Lake View Memorial Gardens, Highway 158, Monday evening, May 31, from 7 to 8 o'clock.

The program will feature a Bicentennial theme utilizing narration and music rather than a Memorial Day address.

Master of Ceremonies Russell Maxwell will set the stage for presentation of a program tracing the country's history and accomplishments. Featured will be numerous patriotic songs and special arrangements.

The Black Knights next will entertain with a special musical concert.

The hour-long program will conclude with a ceremony by gold star mothers in which Mrs. Evelyn Klopmeier casts a wreath of white carnations trimmed in red, white and blue bunting upon the waters of the lake. As it floats away, it will be saluted with three rifle volleys.

As a color guard retires the colors, "Taps" will be sounded in the distance by the Black Knights.

Cheerleading camp

Children entering fourth grade through twelfth grade will have an opportunity to learn basic skills of cheerleading when SIUE-sponsored summer day camps begin June 14.

The cheerleading camp will be led by three qualified instructors and will be taught in three areas. Larry Moehn, director of the elementary physical education program at SIUE and coach of the mid-Illinois Jets gymnastic team, will teach the gymnastic phase of the camp.

The warmup phase will be taught by SIUE's cheerleading sponsor, Myrna Martin. Final phase of the three-part program will be taught by Susie Fizer, coach of the Belleville Althoff High School cheerleading squad, twice winner of the National Cheerleaders Association championship. She will handle the cheering phase of the week's program.

Cost of the cheerleading camp, which runs from 9 a.m. to

12 noon Monday through Friday, will be \$20. Checks may be sent to Conferences and Institutes, Box 36, Southern Illinois University at Edwardsville, Edwardsville, Ill. 62026, made payable to Southern Illinois University.

Navy graduate

Navy Seaman Recruit Aaron C. Hart II, son of Mr. and Mrs. Aaron C. Hart, 2015 Grand Ave., whose wife, Kathy, is the daughter of Mr. and Mrs. G. R. Welch, 215 Delmar Ave., all of Granite City, has graduated from recruit training at the Naval Training Center, Great Lakes, Ill. Classes included seamanship, military regulations, forfeiting, close order drill, first aid and Navy history. A 1976 graduate of Granite City High School South, he joined the Navy in February 1976.

Education workshops scheduled for summer

Eight graduate level workshops will be offered by the Department of Secondary Education during the SUVE summer session, according to William P. Ahlbrand, chairman.

Most of the workshops will meet daily for a two-week period and offer four hours of credit.

"Drug Use and Abuse," (Ed. S. 481), will be offered on five Fridays, June 18 to July 16, from 8 a.m. to 4 p.m. These classes are of special interest to teachers, curriculum development specialists, administrators and others concerned with the problem of drug use relating to students at the secondary level and above. Rudy Wilson will instruct the course.

A workshop for persons interested in "Motivating the Reluctant Learner," (Ed. S. 495, Section 1), will be from June 14 to June 25. The two-week class will meet Mondays through Fridays from 1 to 4 p.m. A concern of the class will be utilizing a humane approach to develop basic skills for those pupils who lack motivation to learn. The class is open to intermediate, middle, junior and senior high school teachers, and the instructor will be Leslie Wehling.

Utilizing the newspaper in the classroom will be an eight-day workshop. Consultants will be used and will assist teachers on both elementary and secondary levels in developing instructional packets using the newspaper as a supplement in all subject areas. George H. Goodwin is coordinator.

Videotapes and audiotapes of

actual classroom lessons will be used in the "Analysis of Instruction" workshop taught by Catherine Phee. This class will be held in the afternoons June 14-25.

A class designed to help teachers define career education, explore its dimensions and examine its place in the secondary school curriculum will be held July 5-16 in the afternoons. The instructor will be Henry Boss.

"Contents and Affect in Classroom Teaching" is the title of a workshop to be taught by William Ahlbrand and Joseph Gore from July 12 to Aug. 6 from 2 to 4 p.m. weekdays. The course will emphasize the differences and similarities between cognitive (content) and affect (values) components in classroom teaching.

Use of a transactional analysis in the classroom will be the topic of another June 14-25 workshop meeting in the evenings, 5:30-8:50. Classes will be devoted to development of interpersonal skills which can be applied to classroom situations in junior and senior

high schools. Catherine Phee will be the instructor.

"Effective Classroom Discipline Strategies" is the title of a workshop July 19-30 from 12:30 to 4 in the afternoons. Instructor will be John Schnabel, and the class will concentrate on development of teaching strategies which incorporate effective management techniques.

Twenty-one other classes in the area of secondary education will be offered during the regular summer session, which begins June 21.

Registration is scheduled June 17 from 8:30 a.m. to 7:00 p.m. Further information can be obtained by contacting the School of Education.

VEHICLE DESTROYED

Fire, believed caused by faulty wiring, destroyed a station wagon at Bob's Auto Sales, 142 State St., during the weekend. The loss was estimated at \$1,600. Granite City firemen were at the scene 20 minutes.

Economic development panel to advise Howlett

Michael J. Howlett, Democratic nominee for governor, announced Tuesday the creation of an Advisory Committee on Economic Development headed by John A. Kennedy, Chicago businessman and former state director of general services.

Howlett disclosed his plans at an Illinois Savings and Loan League seminar at Springfield. "I plan to make economic development a key part of my administration as governor," said Howlett.

"John Kennedy chaired a similar committee for Gov. Otto Kerner. It was their recommendation that established the highly successful economic development program of the mid-1960s and the Department of Business and Economic Development."

"I have asked John to invite businessmen, labor leaders, local government officials, educators, financiers and industrial developers to join this committee and assemble a program that will work."

"We have lost some industry to other states and countries. The prime involvement of the Department of Business and Economic Development has been to attract outside businesses to Illinois."

"Although the next administration must pursue with enthusiasm the attraction of business to Illinois, our main job is to preserve, expand and protect existing industries and existing jobs."

"A successful economic climate for business and industry is not any single in-

"It is not just taxes, environmental laws, labor supply, transportation or unemployment compensation."

"It is a friendly atmosphere that gives the business manager confidence for the future. It is an administration that talks to and listens to both the businessman and labor."

"It is an administration that cuts through the jungle of administrative red tape to solve problems for little business as well as big business."

"My administration will bring these forces together. As governor, I will have an open door for industry that we now have as well as industry we can attract from elsewhere."

Howlett said. "This advisory committee will spell out the needs of business. It will give me a plan

to redirect the present Department of Business and Economic Development to a Department of Economic Activity—to give Illinois businessmen a one-stop service for advice and help from their state government."

"I am particularly interested in smaller communities that have been losing industry. We must develop new jobs in all areas, big and little."

"In a recent issue of Business Week, a title reads: 'The Second War Between The States.' I do not encourage war, even economic war, but I do encourage common concern that our free enterprise system must continue to grow and prosper."

"Only through team effort can we compete in national and international markets."

Twenty students of the two Granite City high schools have received scholarship awards from the Granite City Scholarship Foundation, Inc. Twenty scholarships in the amount of \$500 each were presented to graduating high school students in recognition assemblies held at Granite City High School South May 18 and at Granite City High School North May 21.

W. W. Bright, president of the Foundation, explained to students that recipients were chosen on the basis of financial

need, scholastic achievement and purpose of pursuing a college education.

He encouraged juniors in the audience to apply for scholarships next year, and said students interested in a vocational education could qualify for scholarships if they attended accredited colleges that offer a vocational curriculum.

Those organizations which contributed one or more full scholarships were American Steel Foundries, Granite City Steel, Granite City Steel Labor

Management Torch Club, A. O. Smith, Mexican Honorary Commission, Prairie Farms Dairy, Granite City Optimists and Business & Professional Women's Club.

Contributing to partial scholarships were Minerva Women's Club, Granite City Rotary Club, M. H. Wolf Company, Kiwanis Club of Granite City, The Nestle Company, Dron Electric Company, Rite Electric Company, State Loan & Savings Association, American Association of University Women and Granite City Press-Record.

Recipients of scholarships at South were:
Kevin S. Worster, Diane Scrum, Steve Avedisian, Frank Holmes, David Leet, Forest Crawford, Susan Thompson, Timothy Svoboda, Keith Moran, Lisa Neilson, Mary Lincoln, Steven R. Bowers, Gerald Alvarado and Valerie Boelling. Recipients of scholarships at North were:
Carla Cooper, Sabrina

Baden, Debora K. Trokey, Bonnie E. Ross, Richard W. Hermes and Annette Niemeyer. Representatives of the donor organizations presenting the awards were Robert Martinez, Mexican Honorary Commission; Evers Schillers, Prairie Farms; Peggy Solberger, Granite City Steel and Minerva Women's Club.

Dave Brooks, Granite City Optimists; Pauline Weir, Business & Professional Women's Club; Bill Terrell, Rotary Club; Helen Velfoff, American Association of University Women; Cliff Blankenship, A. O. Smith; W. W. Bright, American Steel Foundries, and Roger Higgins, Nestle.

Officers of the Foundation this year were: William W. Bright, president; Robert Robles, vice-president; Helen Velfoff, recording secretary, and Robert Spengler, Treasurer.

MRS. PAM ISRAEL IS CLUB HOSTESS

Mrs. Pam Israel entertained the July 8 Canasta Club last week in her home, serving a desert course followed by card games.

Those winning prizes were Mesdames Lucille Broyles, Clara Winter, Betty Runyan, a guest, and Sue Busch.

Also present were Mrs. Virginia Kittel and two other guests. Mrs. Frances Voyles and Mrs. Geneva Summer. Mrs. Kittel will host the next meeting.

Susan Rardin, children's librarian, Granite City Public Library, reports that the 1976 summer film program will open with "My Fair Lady."

The Academy Award-winning film adaptation of George Bernard Shaw's play, "Pygmalion," will inaugurate the annual program presented by the Children's Department of the Granite City Library.

"My Fair Lady" will be shown Tuesday, June 1, at

Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, across from the public library.

The first half of the film schedule presented by the Children's Department will be as follows. Admission to all films is free of charge.

Tuesday, June 1, My Fair Lady, 1 p.m., Niedringhaus United Methodist Church.

Thursday, June 10, Million Dollar Duck, 10 a.m., Niedringhaus United Methodist Church, and 1 p.m., YMCA Clubrooms 1, 2, 3, 4.

Thursday, June 17, King Elephant, 1 p.m., Niedringhaus Church.

Thursday, June 24, Abbott and Costello Meet Frankenstein, 1 p.m., Niedringhaus Church and 7 p.m., YMCA Clubrooms 1, 2, 3, 4.

Thursday, July 1, George, 1 p.m., Niedringhaus Church.

Thursday, July 8, John Paul Jones, 1 p.m., Niedringhaus Church.

Now you can make a Long Distance call to any other state in the United States for less than you'd pay for an ice cream cone.

If you've eaten any ice cream cones lately, you know it's pretty hard to get one for less than a quarter. Yet for only 21¢ or less you can make a Long Distance call to any other state in the United States (except Alaska and Hawaii) with our new one-minute weekend rate. That's 21¢ or less for the first minute. 16¢ or less for each additional minute. And all you have to do is dial direct and call on the weekend—anytime Saturday or before 5 p.m. Sunday. Look at it this way. Isn't a Long Distance phone call to your family or friends worth the price of an ice cream cone?

Direct Dial rates do not apply to coin, hotel, guest, hospital patient, credit card, collect or person-to-person calls, or to calls charged to another number, because an Operator must be involved with such calls. They do apply on station-to-station calls placed with an Operator from a residence or a business phone where Direct Dial facilities are not available. The 1-minute rate does not apply on calls within Illinois. Rates quoted do not include tax.

CAMELOT AUCTION PLANS by Granite City Rotary and Optimist Clubs last week. Left to right standing, are Rotary members Calvin Bartels, Walter Milton and Harold Rudolph. Seated, left to right, are Optimist

Henry Karandjeff, Rotarian Don Shaffner, Optimists Jerry McDonald and Carl Ranft and Rotarian Joe Hassler. They are examining solicitation lists to be used for this fall's Camelot benefit auction co-sponsored by the two clubs.

Rural firefighting duty being studied

A lengthy discussion on fire protection in areas not assigned to any fire district occupied much of the Venice Town Board of Auditors' weekend meeting. Township Supervisor Christ Pashoff agreed that letters had been sent in error to some township residents informing them they had been assigned by the state fire marshal's office to the Mitchell Volunteer Fire District.

Pashoff explained that the Benjamin Addition west of the curve in Missouri Avenue has been assigned to the Mitchell fire district but letters also were sent to surrounding houses not in the Benjamin Addition. One of these houses burned nearby to the ground recently when Mitchell firemen declined to answer an alarm. The Granite City Fire Department extinguished the blaze, but most of the house was destroyed.

Neighbors showed firemen a letter Pashoff had sent informing them they had been assigned to the Mitchell district. Pashoff contended, however, that Mitchell firemen still should have answered the alarm under a mutual aid agreement between all Quad-City fire departments.

Fire officials appear to disagree with Pashoff's interpretation of mutual aid, which is an unwritten "gentleman's agreement" in Madison County.

Pashoff said that, under his understanding of the agreement, any department

called should respond, even if the fire is in another fire district.

"Any fire department refusing to answer a fire call is violating the mutual aid agreement and should be dropped from that agreement," he said.

Granite City Fire Chief Donald Parente said the mutual aid issue as it affects areas not in any fire district was the subject of discussion at the Madison County Firemen's Association meeting Thursday night.

He said samples of written mutual aid agreements from other counties were studied and none contained provisions giving fire protection to areas not in a fire district.

"A mutual aid pact simply agrees that if any fire department has all of its available men in use at a fire in its district and still needs help, nearby fire departments will send units to assist, if possible," Chief Parente said.

He emphasized there is no written aid agreement between the 39 fire departments in Madison County.

"We don't interpret this informal agreement as meaning that if Mitchell goes, say, to the Benjamin Addition, with one truck and two men, they can then call Granite City for assistance while they still have equipment in the garage," he said.

He acknowledged there are some differences of opinion

among fire departments concerning property newly annexed to a district by order of the fire marshal.

"We are going to ask State Rep. Everett Steele and the state fire marshal to our next firemen's association meeting and see if we can make some of these problems clear to them," Parente said. Rep. Steele authored the law under which the fire marshal assigns areas to fire districts.

Pashoff, at the Venice Township meeting, presented a letter from the state fire marshal's office, notifying the township that the state office is in the process of assigning an area near Rock Road—from west of the Benjamin Addition all the way to the middle of the Mississippi River—to a fire district.

The assignment has not yet been completed, he said. About 30 houses are involved, Pashoff noted.

He explained that fire hydrants, financed by the township, are to be installed in the Benjamin Addition starting this week, and Illinois Power Co. is to begin installing street lights in that addition as soon as possible. Money already has been appropriated for both projects, Pashoff said.

He noted that fire hydrants being installed at the Tri-City Regional Port District are through the help of Venice Township, which signed a 30-year agreement with the East St. Louis and Interurban Water

Co. He said fire hydrants are available to townships for a rental of \$60 per hydrant a year; the cost would be much higher if the port district had to pay to have the hydrants installed, it was asserted.

JULY 12 CLUB MEETS WITH MRS. OUSLEY

The July 12 Pinocchio Club met last week in the home of Mrs. Penny Ousley for a noon luncheon and an afternoon of cards.

Members honored Mrs. Emma Steinberg and the hostess on their birthdays, presenting each with gifts. Each member received a prize during the games. Those present included: Mesdames Mable Lehn, Pauline Stephens, Ardell Lange, Ann Geise and Kathryn Smithson.

Steel production up

The nation's mills in April used 88.3 per cent of their raw steelmaking capability to produce 11,428,000 net tons of steel, the highest output since March 1975, according to the American Iron and Steel Institute.

The high rate of production continued into May. Raw steel output by domestic mills for the week ending May 8 totaled 2,707,000 tons, equal to a capability utilization rate of 89.6 per cent.

The April production total pushed output for the first four months of this year to 42,464,000 tons, equal to a capability utilization rate of 82.1 per cent. This compares with a production total of about 45 million tons in the first four months of 1975.

April 1975 production was 10,607,000 tons and March 1976 production was 11,294,000 tons. Electric furnace production in April was 2,159,000 tons. Production by the basic oxygen process was 6,986,000 tons and output from open hearth furnaces was 2,283,000 tons. In the

first four months, these respective totals were 8,116,000 tons, 26,470,000 tons and 7,877,000 tons. AISI estimates the 1976 domestic raw steelmaking capability at 159 million tons.

IN MEMORY

Memorial Day, 1976

Everybody is happy to have the day off on Memorial Day.

But while you're visiting friends and relatives, camping, doing chores or taking forty winks in the hammock, we suggest you take a few minutes out of our 200th year to remember all of those who valiantly served to make this country so great. After all, that's what Memorial Day is all about.

Backhoe to aid in reaching utility lines at GC schools

The Granite City Board of Education has approved purchase of a \$10,541 wheel-loader tractor with a backhoe, to avoid borrowing similar equipment from the Granite City Park District or leasing one from contractors when needed.

Ronald Landman, maintenance supervisor for the

school district, noted that many schools' steam, water and sewer lines are buried under the ground and require a backhoe when repairs are necessary.

Bids were sought and three were returned. The one selected being the lowest. A contract was awarded to Case Power & Equipment Co. for a Case

tractor.

The board also approved purchase of science equipment totaling \$5,623 from 10 bidders. Contracts went to Central Scientific Co. for \$277, Sargent Welch Co. \$1,315, Seller Instrument Co. \$941, Fisher Scientific Supply \$1,097, Science Kit \$516, Edgell Macalaster \$19, Carolina Biological \$237, Southern Biological \$23, Ward Natural Science \$213 and Nasco \$797.

Purchase of 15 new sewing machines from the Singer Co. for \$2,468 was approved. Fifteen used machines at Frather Junior High School will be traded in on the new units. Three companies bid on supplying the machines, Singer submitting the lowest package price.

Seven companies were selected as low bidders to supply audio-visual equipment, including film and slide projectors, tape players, recordings, slides and other items, with the purchases totaling \$6,408.

Contracts were awarded to Fox Stanley for \$2,252, National Learning for \$1,645, Audio Visual Co. for \$50, Raymer Anderson \$701, Relco \$74, Reed Instructional Co. \$85 and Schaller & Co. \$30.

Five bidders were selected to provide athletic training supplies totaling \$4,029. Contracts were to Cripps First Aid for

\$642, J&N Distributors \$267, Best Equipment Co. \$2,390, School Health Supply \$720 and University Drug Co. \$14.

A \$1,812 contract was awarded to 3-M Co. to supply duplicator thermal spirit masters for the district. The 3-M masters were tested against the product of another bidder and were found superior for the needs of the school district.

Tully A. Heubner, director of business affairs, reported. Approval was granted to have Mrs. Christina Verschyl of Granite City make 24 tennis uniforms for girls' tennis teams of both high schools at a total cost of \$443, including materials.

Prices were checked from several catalogues and Miss Barbara Kerch reported the price is considerably less than the \$23 to \$27 average when ordering uniforms. It also will be easier to have identical replacements made locally, as needed, she noted.

The board gave approval to Korte Luitjeh, contractor of the new Coolidge Junior High School sanitary sewer, to delay installing electric pumps in the sewer line until June 1, due to late delivery of the pumps.

The firm agreed to reduce the total contract from \$41,000 to \$40,000 to reimburse the school district for rental of the present pumps during March, April and May.

The board gave its permission to Dale C. Rea, assistant to the superintendent, to cooperate with Granite City parochial schools in preparing a joint application for a grant from the state under the new Title IV program.

Granite City would be eligible for about \$15,000, of which about \$800 would go to the parochial schools, Rea said.

The money is to be used for textbooks, he said. Approval was given to pay bills on two emergency purchases.

One was \$220 from Richey Service for replacing a motor at the Mitchell School sanitary treatment plant, and the other was from Benton & Oertl Co. for \$151 for filters in lift stations at Granite City High School North and Grigsby Junior High School. The filters are exact replacements and could not be bid.

The board rejected two bids for printing yearbooks for both high schools, indicating they felt the bids were too high. New bids will be sought.

A proposal to put a slag walkway between the parking lot and the baseball diamond at GCIS North for about \$370 was studied by the board and

members agreed to withhold acting pending further study. The \$270 is for materials only and school district labor would be required. Contracting the work would raise the cost to about \$750, it was noted.

Bills ordered paid included \$53,686 from the educational fund, \$1,139 from the teacher tuition reimbursement fund, \$15,090 from the building fund, \$778 from the joint agreement fund, \$2,666 from federal funds, \$59,313 from the transportation fund, \$730 for travel allowances and \$45,518 for cafeteria supplies.

Registering for summer instruction

Registration is continuing this week in the Granite City high schools for the summer school term which will begin Wednesday, June 2.

Students are being required to pay a \$32.50 tuition for each two-hour class requested and the non-refundable tuition must be paid at the time of registration.

Marching band students are to pay a \$10 tuition. Special education and Title One programs, all financed by state and federal funds, are being offered without a tuition fee.

No classes other than special education and Title One are being offered at the elementary or junior high school levels this summer.

Tuitions for high school classes were necessitated by announcements from state officials that districts will not be reimbursed from state funds for their summer school programs.

Most school districts in the state decided to charge tuition and some districts canceled their summer school programs entirely.

Registration at both high schools is continuing to 3:30 today and from 8 a.m. to noon tomorrow.

Students will obtain their schedule cards at 8 a.m. Wednesday, June 2, at their high schools and will proceed directly to their first summer classes.

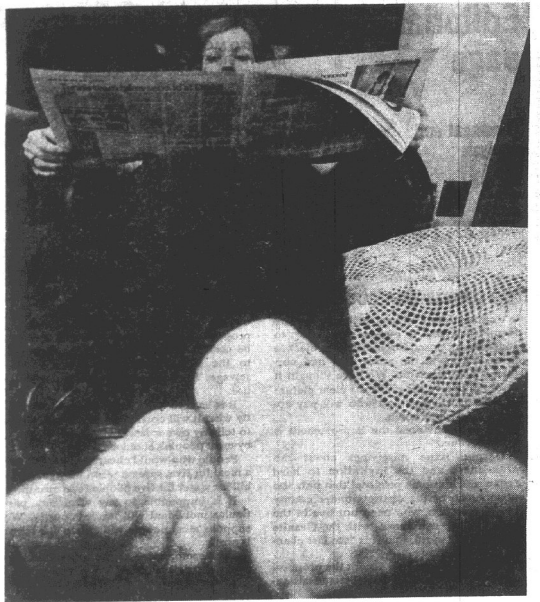

Late registrations will be accepted between 10 a.m. and noon June 2, 3 and 4 in the main offices of the high schools. Only classes which have a room will accept late registrations.

Registration at both high schools is continuing to 3:30 today and from 8 a.m. to noon tomorrow.

Tea, style show at Prather JHS

A tea and style show for students in the foods and clothing classes at Prather Junior High School and their guests were held Tuesday at the school under the direction of Mrs. Alene Culp and Mrs. Cottrell, faculty members.

Clothing students modeled blouses, ponchos, smock tops, skirts and dresses created in the sewing classes. Cookies, punch and coffee were prepared and served by the pupils in the food classes.

Those participating in the noon hour affair, included Tammie Barnes, Inge Bohn, Mary Patrick, Tracey Taylor, Melissa Walden, Lisa White, Chris Woodard, Linda McGowan, Leigh Feeney, Carol Bolling, Karen Burke, Julie Campbell, Pam Damrath, Darlene Jones.

Donna Love, Darla McKenzie, Wanda Parrott, Terri Pelikan, Kelly Vaughn, Crystal Wilson, Mary Burnett, Donna Byrd, Bev Goodman, Cindy Horn, Valerie Julius, Chris Lewis, Sherry Revelle, Carol Robert, Penny Scott, Paula Winsley, Joyce Vaughn, Lisa Whitford, Geneva Williams, Mary Zimmer, Darla Boyce, Kathy Boyce, Tina Fernandez, Sheila Jarman, Sue Sandall, Belinda Sipes, Linda Snider, Joyce Stickle, Chris Waddell.

Vicky White, Annie Wyatt, Lynda Baronica, Paula Cookson, Frances Cooley, Debbie Elmore, Cheryl Jameson, Martha Jordan, Sharon Kendall, Vickie Leeder, Brenda Trebing and Debbie Turnbough.

Bethel honors past queens

Lisa Smith, honored queen's plaque, made by John Simpson, was presented to the Bethel in memory of the late Dr. Amos Rode, immediate past associate guardian.

Mr. and Mrs. Edward Lane assisted in securing the metal plates and funds were furnished by New Hope Chapter 432, Order of Eastern Star, to obtain the plaque.

The librarian's report, entitled "The Beat Goes On," was written by Charles Raitwater in memory of mothers, from the 1940-'50 decade and was read by Terri Roberson.

Reports were given on trips made by the members to Bethel chapters in Columbia for "Bonds for Braces" night, Edwardsville with Miss Smith serving as honored queen for the evening and to Wood River for its guest night.

Introduced were past honored queens, Miss Patty Brokaw, Miss Lori Houser, Miss Becky Graham, Mrs. Shirley Brokaw Young, Mrs. Muriel Broadway Kratz, Mrs. Miriam Merz Ozanich, Mrs. Katy Merz Rufferty, Mrs. Charlotte Barr Rapp, Miss Kathleen Lane and junior past honored queen Miss Leslie Houser, all from Bethel 43 of Granite City.

Also escorted and introduced were Mrs. Rebecca Slate, Bethel 43 guardian and Martin Love, associate Bethel guardian; Mrs. Charlotte Root, worthy matron of New Hope Chapter, 422, and Miss Karen Burke, honorary slate treasurer of Job's Daughters.

Decorations in the dining room were in keeping with the past honored queen's night and refreshments were served by Mrs. Pat Burke and Mrs. Charlotte Rapp.

Bay View presents three essay awards

Mrs. Emil Mueller and Mrs. Alfred Krusiek, members of Bay View Reading Club, presented essay awards to three students at Granite City High School North during the school's recognition day last week.

Topic of the essays was "My Favorite Vacation." Ann Rowden won the first place award for her entry. Second place went to John Newcomb and third place to Jane Harding.

Jr. Service in Shrine Parade

Plans to participate in the Shrine's parade on June 3 were discussed at last week's meeting of the Granite City Junior Service Club held at the Nameoki Presbyterian Church.

A report of the spring fashion show was submitted by Mrs. Gaile McFarland and Mrs. Donna Sprinkle. Charity chairman Mrs. Janet LeGrand reported eye examinations and eyeglasses for two school children were provided by the club, which also purchased a wheelchair for a handicapped girl.

Members presented a gift to Mrs. Ruth Thornburg, who will be moving to Richmond, Ind. Hostesses Janie Staats and Wilma Edgington served refreshments to those named and to Flora Mae Lanning, Carolyn Thornburg, Zoe Nance, Faith Holstinger, Pam Reed, Sue Reese, Dorothy Hatfield, Brenda Weckman, Mary Lou Worthen and Charlene Pohlman.

Mrs. Pohlman will host the June board meeting in her home.

RIFLE, BOW STOLEN
A rifle and a \$50 archery bow were stolen from the unlocked camper of Robert Jackson, 1725 Delmar Ave., parked at his home, it was reported at 4:45 p.m. Monday.

Genesis 1:26, "And God said let us make man in our image."
If we will consider the fact that we are the express image of our heavenly Father, then it should serve to lift our countenance and put a smile upon our faces. We should be proud of the fact that of all of His creation, man alone shares the distinction of the image of his creator.

The only real problem in the world today is the fact that we only look like God but we do not act like Him. Every known problem in the world today would soon be solved if every person alive were "crucified with Christ." The apostle Paul stated, "I am crucified with Christ, nevertheless I live, yet not I, but Christ dwells in me; and I shall abide in Him, and He will come in me." Let Him in today.

MERIT AWARD. Susan N. Cavins, daughter of Mr. and Mrs. F. L. Cavins, 3041 Iowa St., accepts the Sister Mary Dolores Merit Award from Dr. Charles E. Berry, associate dean of the St. Louis University School of Nursing and Allied Health Professions at planning ceremonies of the 1976 Medical Technology class. The award is given to one or more students whose research papers are judged by a special committee to be worthy of the honor. Miss Cavins was one of three students so honored this year. Her paper was entitled "The Biochemistry of Adrenalectomy in the Rat."

Friends honor Mrs. Gary Lewis

Mrs. Gary Lewis, the former Lora Jones, was guest of honor last week at a post-wedding shower at Second Baptist Church.

The Fellowship Hall was decorated in white, yellow and green. The refreshment table was centered with a large white and yellow cake covered with miniature wedding rings, and fresh flowers graced each guest table.

Mrs. Betty Lewis and Mrs. Betty Grote assisted at the gift table. Games were played and prizes were won by Sandy Burra, Isabelle Burnett, Violet Wilson, Florence Paul, Ruth Dodd, Shirley Mayberry and Betty Lewis.

Others present were Linda

Wilson, Judie Luperdun, Carol Canady, Nadine Frith, Wanda Canady, Lena Stephens, Alice Hoffman, Arlene Smith, Margaret Dutton, Mildred Garin, Minnie Cavins, Mina Duggins, Myra Grote, Gladys Hudgens, Alma Burnett and daughter, Cordean and Steve Burris.

The former Miss Jones was married April 30 at Second Baptist Church, with the Rev. B. E. Dutton officiating. She is a daughter of Mr. and Mrs. William Jones, 2712 Denver Ave. Her husband's parents are Mr. and Mrs. Robert Lewis, 2026 Bryan Ave. The bridegroom is employed at Hermann Oak Leather Co., St. Louis. The newlyweds are now at home at 2200 Grand Ave.

Ruth Class hosts May banquet

Mrs. Marie Parks welcomed members and guests of Ruth Class of the First Baptist Church at the group's May banquet, held at the Round Table Restaurant, Collinsville.

Class teacher Mrs. Pauline Harp led the opening prayer and devotions were presented by Mrs. Ellen Douglas on women leaders throughout

history. The program was given by Ron Keith and Edward Kirby, proprietors of Floral Originals, who demonstrated flower arranging. Later, they presented two of their creations to Pam Peters and Marilyn Ford.

The closing prayer was offered by Mrs. Wilma Hudson. Others attending were Mesdames Velma Rice, Sharon Rice, Sue Dickey, Eleanor Cook, Nancy Rogers, JoAnn Jones, Helen Bain, Shirley Claxton, Elinor Stagner, Pat Williams, Diana Denny, Nancy Thompson, Nancy Kern, Lois Baker.

Mesdames Freda Jordan, Betty Lyler, Mae Hudson, Jacky Nemeth, Delores Carson, Peggy Wenz, Marie Ehlert, Cand Hoffman, Ruby Foster, Betty Doyle, Perma Boyer, Debbie Boyer, June Lutz, Kristine and Misses Kertelle Williams, Sandy Baker, Melinda Hudson, Jennifer Nemeth and Nannette Boyer.

'Fun Day' for Brownie troops

Four Brownie troops attended "Brownie Fun Day" during the weekend at Ralston Purina Research Farm and Rockwoods Reservation at Gray Summit, Mo.

The trip was made by bus, with 70 girls and adults participating.

Those attending included Brownie troops 140 and 354 from Marshall School, Troop 47 from Niedringhaus School and Troop 136 from Webster School.

Pack 7 honors Cubmaster Andy Timko

Special honors were accorded Andy Timko, cubmaster of Pack 7, sponsored by St. Joseph Church, who is retiring after 19 consecutive years working in various pack offices, at the group's final meeting of the season last week at the church.

Lieutenant Colonel John Mungovan presented an engraved plaque to Timko and a Scouters Wife certificate to his wife, Mrs. Bernice Timko.

LT. Col. Mungovan said the retiring cubmaster has served as committeeman for Boy Scout Troop 7, chairman, institutional representative and assistant cubmaster during the 19 years. He received the Oscar Award in June 1960 and a certificate of Merit in November 1961.

Remarks honoring Timko were made by Ronald Luebbeck, Chakolia council representative; Joseph Geisler, former Pack 7 committeeman, and Mrs. Myrna Geisler, Mrs. Jean Stanfill and Mrs. Roseale Buente, all former den leaders. The colors were posted by the Webelos Den and the pledge of allegiance given in unison.

Awards were presented during the meeting to Bobby Carpenter, Den 1, Bear Award; gold and silver arrow points and one-year pin; Webelos Robbie Favier, athlete and naturalist; Tom Buente, able, showman and outdoorsman; Tom Mungovan, outdoorsman and showman; and Jerry Yurek, outdoorsman and Arrow of Light.

Tom Buente played two trombone selections as part of his showman achievement. Joseph Geisler presided as Den 1 Scoutmaster and was inducted into Pack 7 as a member. A "Dorothy" was directed by Joreen Stanfill, senior patrol leader. Bobby Carpenter, Mike Jarnigan, Allen Yurek, Donald Baxter and Jeffrey Kittel, Den 1 was the recipient of the "cubby award."

Den 1 was the recipient of the "cubby award."

to Wellesby, Mass. Carl Kittel has accepted the post of Pack 7 cubmaster for the coming year, it was announced. Blue and gold appointments decorated the dining table, which was centered with a decorated cake. Refreshments were served to Mr. and Mrs. Timko, Mr. and Mrs. Clyde

Nameoki Woman's Club installs

Nameoki Woman's Club conducted installation of officers at the club's annual guest day observance last week at Central Christian Church.

Mrs. Louis Meek served as installing officer for the 1976-77 corps of officers, including: Miss Lucinda Huck, president; Miss Lily Dod, vice-president; Mrs. Harriet Byers, recording secretary; Mrs. Carrie Jensen, corresponding secretary, and Mrs. Irma Taylor, treasurer.

Committees and chairmen appointed for the year are: program—Donna Schaefer; Ertha Johnson, Muriel Dressel, Harriet Horn and Verna Stuart; membership—Dorothy Meek, Dawson Wade, J. C. Byers, D. W. Houston, John Lent, Leo Schermer, Wilford Cooley, Charles Littlejohn, Russell Johnson, Emmett Beeler and Ted Schaefer.

Members attending were Mesdames Bernice Greck, Florine Compton, Burdine Holtcher, Naomi Caldwell, Rosamond Johnson, Georgia Boettger, Virginia Rickert, Mary Miller, Edna Cease, Louise A. Thompson, Helen Krumsiek, Helen Matson, Pauline Fijan, Peggy Stevens, Esther Sunderman, Mesdames Ethel Mueller, Margaret Rush, Rose Summers, Dorothy Lueders, Jane Vales, Louise Cox, June Stieb, Betty Bickhaus, Kaymon Edmonds, Ann Schall, Helen Wyman, Margie Greer, Isabelle Reese, Mae Lueders and Elsie Branding.

Members present included those named and Maxine Maas, Yerna Stuart, Marion Shelton, Donna Schaefer and the officers and chairmen.

Music Festival at 3rd Baptist

At 6:30 p.m., Sunday, Third Baptist Church, 2601 Grand Ave., will have its second annual Music Festival. Special awards and recognition will be given for attendance during the choir year and all choirs and ensembles will perform a selection.

Nearly 50 voices will combine from the Youth and Church choirs to present Beryl Red's "The Patriot's Dream."

The Music Makers (1-3 grades) will sing "Do Something Nice" by Clark Gosman. "Bathing in the Sunlight," arranged by Ron Huff, will be offered by "Charity," a high school girls' ensemble.

Andreas Crouch's "I Came That You Might Have Life," sung by the "Winds" will feature Donna Millikin as soloist. The musical highlight of the evening will be the Young Musicians (4-6 graders) performing John F. Wilson's patriotic musical, "Let George Do It."

In addition to the singers, there will be an instrumental group consisting of trumpets, trombone, rhythm and bass guitars, drums and piano. A number of young people and adults also are participating as narrators and actors, portraying such figures as George Washington and King George.

The pastor, Roy Johnson, and minister of music John Nading are inviting the public to attend the Music Festival.

RADIO IS STOLEN

A \$150 citizen band radio was stolen from the auto of James Welch, 2229 Alexander Ave., parked in the driveway of his home, he reported Monday.

ENGAGED: Miss Laura Ann Scown and Airmen Stephen Joseph Reinegal, a son of Mr. and Mrs. Edwin M. Reinegal, 2211 Waterman Ave. Their engagement and plans for an Oct. 2 wedding are being announced by her parents, Mr. and Mrs. Roy J. Scown of Collinsville. (Henry Stadel)

BRIDE-ELECT: Miss Cathy LaVerne Radcliff, whose engagement to Kevin Charles Werner is being announced by her parents, Mr. and Mrs. Edward Radcliff, 2117 Troy St. Madson. A Dec. 18 wedding is being planned.

Cathy Radcliff is betrothed

Announcement is being made of the engagement and forthcoming wedding of Miss Cathy LaVerne Radcliff and Kevin Charles Werner, by the bride-to-be's parents, Mr. and Mrs. Edward Radcliff, 2117 Troy St. Madson.

Miss Radcliff will graduate Friday from Madson High School.

The prospective groom is a son of Mr. and Mrs. Gerald Werner, 2028 South St. Madson. A 1975 Madson High School graduate, he is presently employed at C and R Metal Co., St. Louis.

Plans are being made by the engaged couple and their families for a Dec. 18 wedding.

GCHS 1966 grads plan reunion

The Granite City High School graduating class of 1966 is planning a class reunion on June 26 at the Marriott Motor Hotel, directly across from St. Louis Airport.

Reservations are requested by June 15 and may be sent to Mrs. Pam (Parkinson) Ames, directly across from St. Louis Airport.

Tickets cost \$21 per couple, or \$10.50 for a single. A social hour will begin at 6:30 p.m. June 26, followed by dinner and dancing to the music of The Globe Theater. Further information about the reunion may be secured by calling 901-3279.

Committee members arranging the event are seeking the current addresses of several classmates. Mrs. Ames said anyone knowing the whereabouts of the following class members is asked to call 901-3279 or write to Mrs. Ames: Harvey E. Canmore, Pam Anderson, Elaine L. Chappell, Donna Black, Lee A. Cooper, Sharon Bloodworth, Jerry L. Crisp, Peggy Browning, Donna J. Eads, Mike Burtinagame, James T. Hickman, Rodney Castleton, Phillip T. Holton, Richard Costello, Donald R. Harris, Kathy Hall, Carol M. Jaki, Ray Harris, Ivan V. James, Harold Dickerman, Tatyana M. Kasantzogly, Donna Lemm, Michael S. Kirksey, John Mangaracchio, Charles H. Lewis, Tom Meacoe, Edward L. McKel, Rich Meyer, Sandra L. Matthews, Larry Millon.

Bernard W. Mikulicz, Mike Muntzer, Charles K. Milton Jr., Judy Munlin, Marvin J. Murphy, Wilma Oden, Dennis C. Randall, Robert Fonder, Kathy A. Sheward, Phyllis Roseman, Barb J. Smith, Kelly Ross, Linda M. Stevens, Kathy Schubert, Thelma H. Tinley, Harold Shalaky, Sheryl L. Wells, Pam Sieching Dymas, Allen E. Williams, Harriet Suraka, Sandra F. Williams, Cindy Slattery, Pamela M. Woods, Nancy Warnock, Linda L. Wyatt and Bill Wiles.

Eight and Forty elects chapeau

Madison County Salon 53, Eight and Forty, met at the American Legion Hall, Alton, and elected Violet Schmidt of Edwardsville as chapeau for the ensuing year.

Chapeau, Tina Campbell presided at the session, attended by 20 members. Reports were submitted by various committees and delegates to the departmental march were named.

Launch was served, followed by games. Prizes were awarded to the winners. Those present were from Alton, Alhambra, Edwardsville, Highland, Madison and Granite City. The next meeting will be held at the Venice-Madison Post 307 American Legion Home, Venice, with Frances Cowley, Norma Hillner and Kathryn Pellers serving as hostesses.

Pack 122 plans summer events

Cub Pack 122 met at Wilson School Monday night for its May pack meeting and to complete plans for summer activities.

Cubmaster Jim Wilson presided. Arrangements were announced for a family picnic on July 16 at Wilson Park; a bike rodeo, July 16, at McDonald's Restaurant; when bicycles of the Cub Scouts will be tested for safety features, and a rummage sale, set July 24.

The opening flag ceremony was given by Mike Baker, Mike Heym, Jeff Hillman and John Blaylock.

Awards presented by the cubmaster were: Bobcat badge, John Blaylock and Terry Taylor; Wolf badge and gold arrow, Donald Gilbert; gold arrow, Mike Geske; silver arrow, Gary Yuhbran; and a recruiter's badge, Jeff Hillman.

The program was given by Den 3 Cubes who sang "Animal Fair." Den 3 displayed posters members had made following the theme, "Safety," in boating, mini-bikes and bicycles and in the water.

Pack members closed the meeting by reciting the Cub Scout promise. Refreshments were served by Den 2.

Kmart FIVE YEAR NEW TIRE LIMITED WARRANTY

1. **Tread Wear** - If the tread wears out (2/32 inch or less remaining) before the warranted number of months or miles of service, the tire will be replaced at a 20% discount off the current price of the tire, plus applicable Federal Excise, State and Local Taxes.

Tread Wear Mileage Warranty does not apply to:

- Driver tires
- Passenger tires used on trucks
- Car used to pull trailers
- Tires in a deteriorated mechanical condition
- Commercial vehicles for hire

2. **Cumulative 90 Day Replacement** - If the same tire is warranted non-replaceable for any reason during the first 90 days from the date of purchase, it will be replaced at 50% discount.

3. **Workmanship and Material** - Every new tire sold by Kmart is warranted against all failures due to defects in workmanship and material for the life of the original tread.

If the tire fails from such defects, Kmart will replace it with a new tire and a price adjustment provided using current list prices, charging only for the purchase of road wear or mileage and plus proportionate Federal Excise, State and Local Taxes.

4. **Road Hazard** - Any regular passenger tire that fails due to Road Hazard during the designated number of warranted months or miles will be replaced or repaired at Kmart's option. The replacement or repair will be provided using current list prices, charging only for the purchase of road wear or mileage and plus a proportionate amount of Federal Excise, State and Local Taxes.

5. **ADJUSTMENTS** - ALL ADJUSTMENTS WILL BE MADE BASED ON THE FULL LIST PRICE (NOT SALE PRICE) IN EFFECT AT TIME OF ADJUSTMENT PROVIDED FOR THE PERCENT OF TREAD WEAR OR MILEAGE USED PLUS PROPORTIONATE FEDERAL EXCISE, STATE AND LOCAL TAXES. ALL ADJUSTMENTS MUST BE ACCOMPANIED BY PROOF OF PURCHASE AT A Kmart. THIS WARRANTY APPLICABLE ONLY TO ORIGINAL BUYER.
